THE UNIVERSITY OF SOUTHERN MISSISSIPPI

By an act of the Legislature of the State of Mississippi Mississippi Southern College, established in 1910, was abolished and the University of Southern Mississippi was organized when Governor Ross R. Barnett signed the act at 2:10 p.m. on Tuesday, February 27, 1962.

The Staff of the 1962 **SOUTHERNER** extends its congratulations to the new University, to Dr. William D. McCain, and to the students of the new institution.

NOTE: When the University Bill was passed by the legislature, the 1962 **SOUTHERNER** had gone to press. Thus it was impossible to make complete changes throughout the annual.

MISSISSIPPI SOUTHERN

A SCHOOL OF SOUTHERN

COLLEGE

HERITAGE . . . MOVES TOWARD THE FUTURE

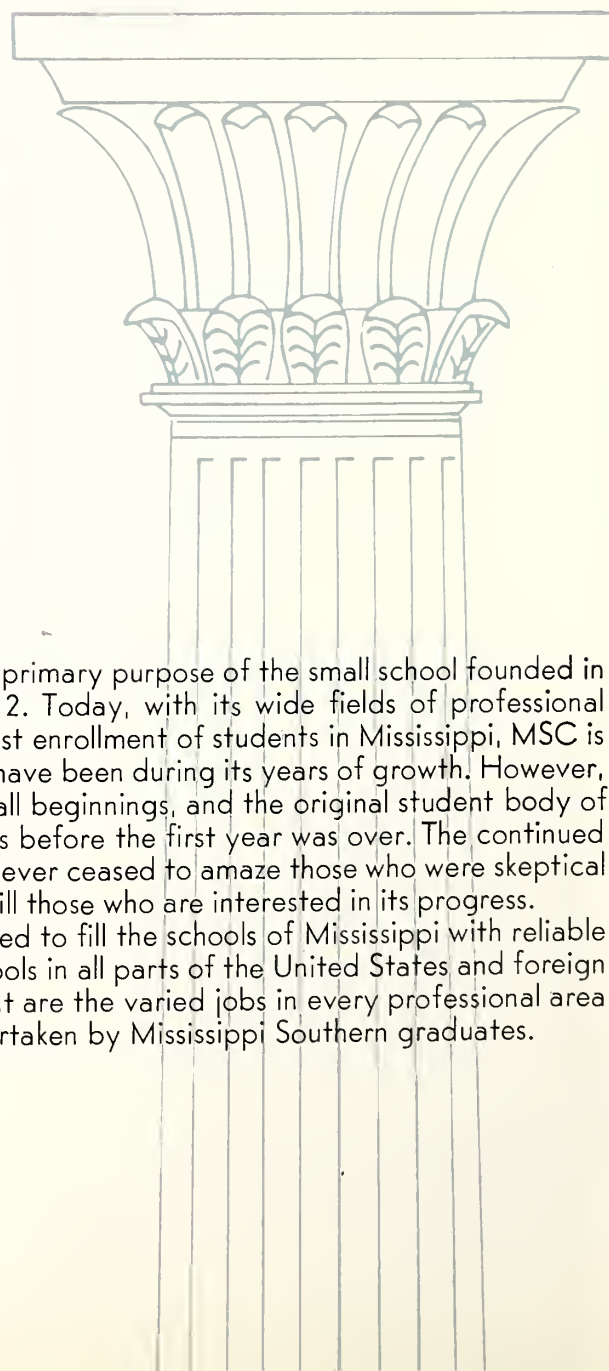

A stream of humanity, ever moving throughout the year, is the life of Mississippi Southern College. Without you, the student, making an integral part of this stream, there would be no "MSC 1962."

The spirit and yells at football games, the pride you feel in the Dixie Darlings and the marching band, the sense of accomplishment you feel after making outstanding grades, and all your other interests and ideals make Mississippi Southern College what it is today. You, the student, are not merely a small insignificant part of MSC, but you with 5,500 other individuals with similar attitudes, ideals, and goals ARE MSC. The college can be no better than the ingredients you give of yourself for its continued growth and improvement. MSC is what you can make it, and with more interest and effort from each of you, the growth of this school would know no bounds.

Since its founding and opening in 1912, the growth of this small localized institution, into a nationally and internationally known center of higher education can be attributed to the quality of the students who have passed through the beloved buildings and then gone out into the world. You must not betray the standards set by students of MSC through the years, but your work must continue as theirs did until "Mississippi Southern to the Top" is a fully completed reality.

The world outside our campus sees us only as a part of a larger whole of life, but to us MSC IS our life for the present. So to you, student of Mississippi Southern College, this 1962 SOUTHERNER is presented as an attempt to picture our life in "MSC 1962."

Teacher education was the primary purpose of the small school founded in southern Mississippi in 1912. Today, with its wide fields of professional specialization and the largest enrollment of students in Mississippi, MSC is hard to imagine as it must have been during its years of growth. However, most great things have small beginnings, and the original student body of 230 swelled to 500 students before the first year was over. The continued rapid growth of MSC has never ceased to amaze those who were skeptical of its beginnings and to thrill those who are interested in its progress. The college that was founded to fill the schools of Mississippi with reliable teachers, now supplies schools in all parts of the United States and foreign countries. No less important are the varied jobs in every professional area that are competently undertaken by Mississippi Southern graduates.

The original purpose behind the founding of Mississippi Southern, to fill Mississippi schools with qualified teachers, soon became outdated as the influx of students from other states and countries became greater. The people of the state realized this fact and soon the state legislature granted \$80,000 for construction and enlargement purposes.

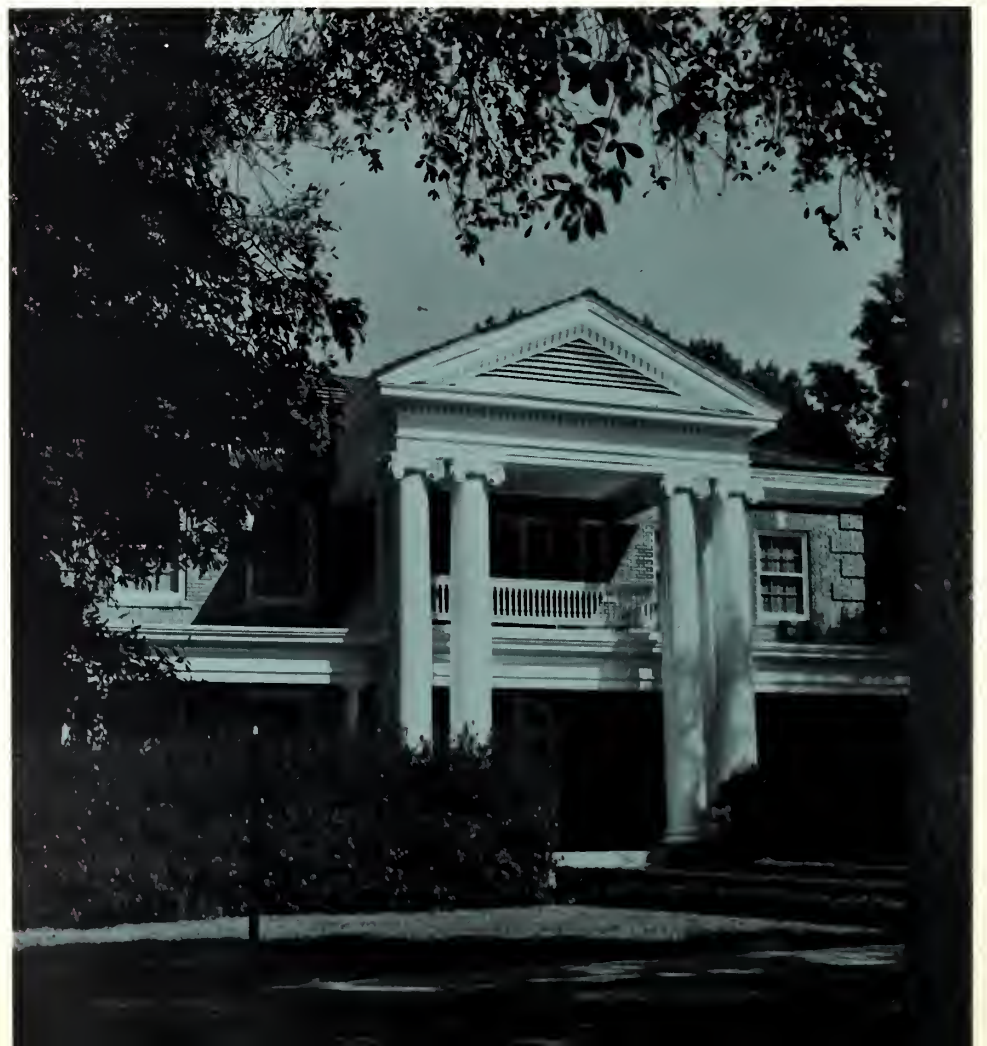

After this one step by the state government, Mississippi Southern College had its roots firmly embedded in an area of interested, helpful people ready to further their state school in any way.

As MSC has continued to grow through the years, special endowments have made possible the additions of the nationally famous Dixie Darlings, fraternities, sororities, and recreational facilities. Such additions have added to an already famous institution, making a good school even better.

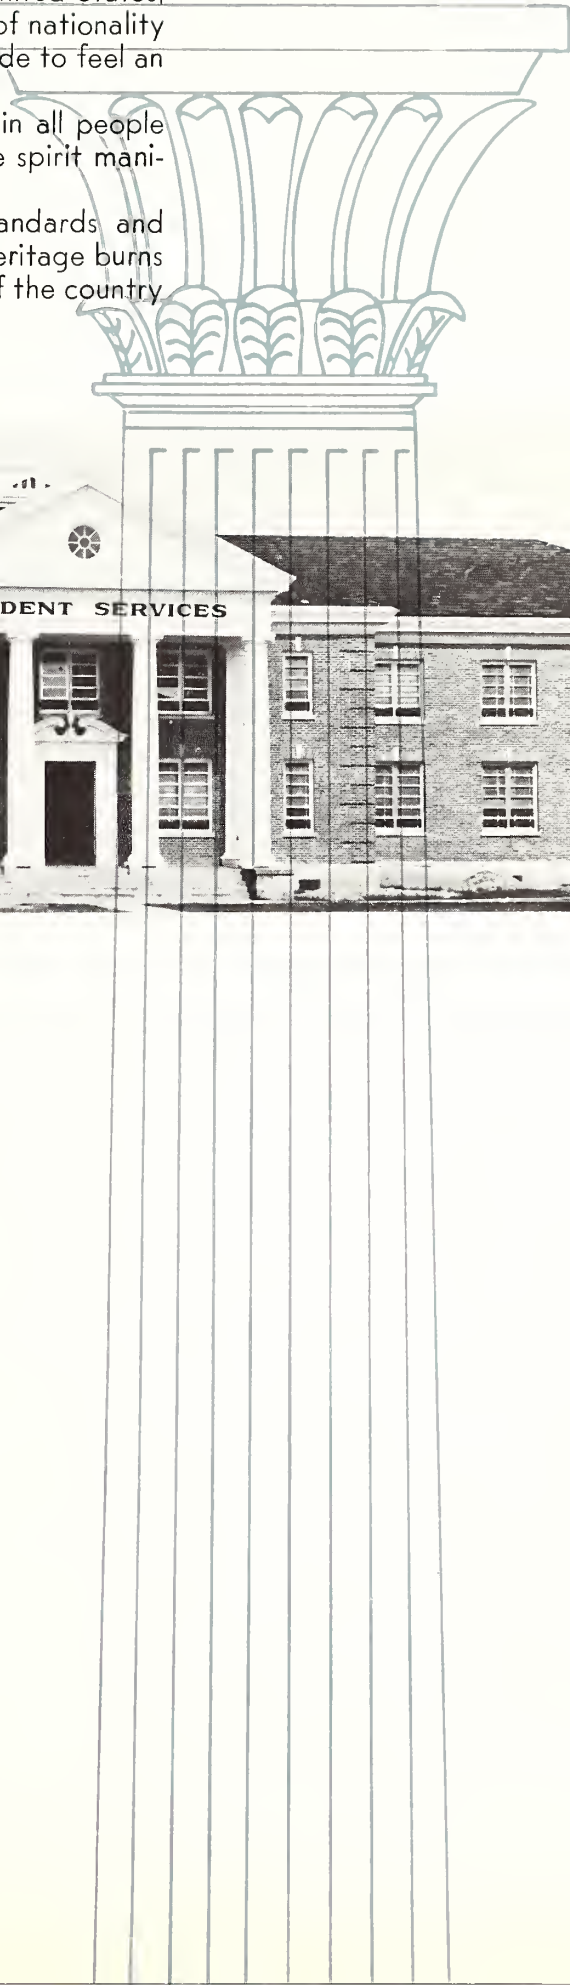

Higher education was not the only motive behind the establishment of Mississippi Southern College, but the school also wanted to provide cultural opportunities for its students and help instill in them the highest ideals of life. These intangible qualities of poise, purpose, and ideals must be imparted to interested students not only through faculty lectures but also through actual experiences in gracious living. Faculty members strive to set an example of friendly cooperation for all students to follow, and the results of their efforts are evident in the pleasant relationships between the students and faculty and the air of southern hospitality and charm pervading the entire campus. This is our heritage stemming from the early days of the old South of which we must strive to be worthy.

As its renown as a small college began to spread throughout the surrounding states with favorable publicity, students were drawn to Mississippi Southern for the academic, religious, and social advantages offered on its campus. These new students came from every area of the United States, and no worthy applicant was turned away from MSC because of nationality or beliefs and each individual is received, welcomed, and made to feel an integral part of the life and activities of the school.

Considering the wide difference of background and origin in all people connected with the college, the friendliness and cooperative spirit manifested everywhere is remarkable and unique.

Mississippi Southern College undoubtedly obtained its standards and ideals from age old southern beliefs and traditions and this heritage burns brightly in the hearts of each student no matter which area of the country or world he represents.

Student enrollment at MSC has increased so rapidly that it has presented a challenge to the other phases of the college to match its expansion.

The new chapel, classrooms, and dormitories are physical evidence of this expansion of Mississippi Southern College, while the profession of the intangibles—cooperation, standards, friendliness, and ideals—is felt and known by all those connected with the forward moving college.

Necessary additions have improved and expanded the faculty and curriculum until the educational opportunities offered at Southern are unlimited. Expert training in many varied vocations gives all capable graduates of the school promise of adequate economic independence for the future.

Mississippi Southern College is steadily expanding its dimensions, and new styles of art are springing up all around the campus. The beloved columns of years past are being surrounded by modern structures that tower in the sky. Because of the rapid increase in the enrollment of MSC, this expansion program has had to be undertaken in full force without letup in any area. Colorful new dormitories five and six stories high can be seen from all angles of the campus; row after row of new apartments for married students are now being filled. Offering expert and complete literary service to all MSC students is the beautiful new library which is completely air-conditioned for the comfort of the students and faculty of Mississippi Southern College.

All around campus signs of progress can be viewed. Under construction now, to be completed by the 1962-63 term are two new dormitories, a modern hospital and a new cafeteria.

As Mississippi Southern grew within the state of Mississippi, students from other states became attracted to the campus by some of its unique collegiate features. The departments of Fine Arts, Education, and Journalism, the Dixie Darlings, and the Marching Band—Pride of Mississippi, have all contributed to making Mississippi Southern College the nationally known and recognized institution that it is today.

Not only have students from elsewhere in the United States been attracted to this growing school, but the Latin American Institute, recently established to provide classroom instruction for the numerous foreign students, shows how well Mississippi Southern is becoming known in international circles.

FRIENDLINESS—the most unique characteristic of Mississippi Southern—is evident on every part of the campus. Dr. McCain, in his address to new students each year, will emphasize these words above all others . . . "At Southern we believe in upholding the tradition of Southern hospitality. We are a friendly campus as you've already witnessed. Here everyone smiles and speaks." This spirit of friendliness plays an important part in the religious and social facets of MSC life.

Religious activities are encouraged and given full support by the faculty and students at Southern. An important yearly occurrence is Religious Emphasis Week in the spring. This special event along with weekly meetings is sponsored by the religious clubs on campus representing every denomination.

Social life is also a necessary part of a well rounded education, and MSC has facilities to provide adequate social activities for every student. The College Union Board sponsors dances, games, and recreational activities open to all students, while the Greeks on campus sponsor functions including: Song Fest, Greek Week and various formals.

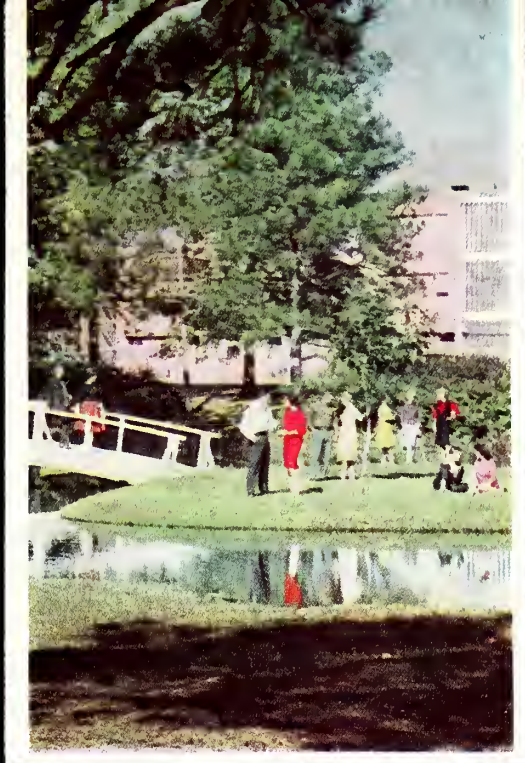

These things combined with academic quality and friendly spirit give the entire school an intangible atmosphere, unmatched anywhere, that penetrates every corner of the campus.

The background of the page features three stylized, vertical columns. The columns are light blue with darker blue outlines and decorative capitals and bases. They are set against a light cream-colored background.

THIS, THEN, IS THE STORY OF OUR YEAR . . .

MSC—our college of southern heritage moves toward the future more rapidly year after year. New buildings, additions to the curriculum, additions to the faculty and staff are all signs of progress. We the students of MSC realize that today we are faced with a challenge—and in order to meet this challenge and the future we, as students, must grow with our beloved college. . . spiritually, academically, and socially. . . living up always to the highest ideals and standards set forth by our college. With this in mind we challenge you, the students of MSC, to meet the great challenge before us with open minds, steadfast standards, and unquenchable spirit. Only by giving of ourselves to the confronting world can we ever repay Mississippi Southern that which it has unselfishly given to us.

SERVICE 260

DEDICATED TO MRS. PAULINE WILSON

To one who is rich in human philosophy, high in moral ideals, and eager to serve everyone at all times, we, the Annual Staff, affectionately dedicate the 1962 edition of the SOUTHERNER to you, "Miss Polly." As hostess of Hattiesburg Hall, you have served the College faithfully as counselor and friend to all. Your sympathetic and understanding interest in us and your inspiring influence will ever be felt by the hundreds of students of Mississippi Southern College.

Service to a just cause rewards the worker with more real happiness and satisfaction than any other venture of life.

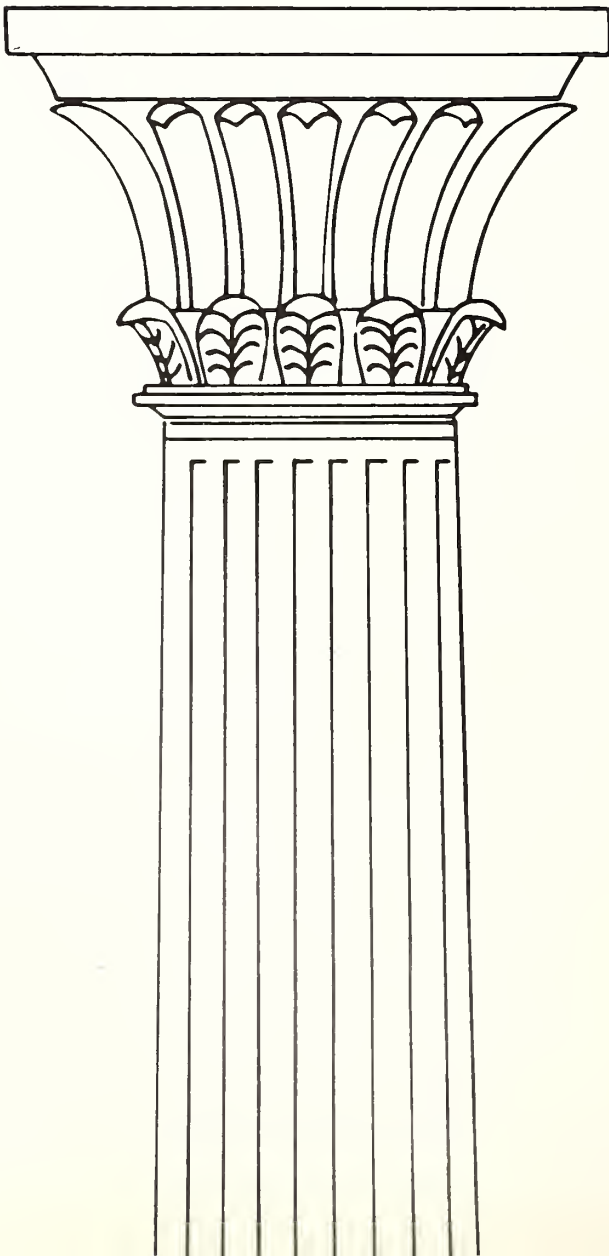

Carrie Chapman Catt

At the center of the biggest and the best, one is sure to find the most capable and the most dedicated. As we look through the College Division, we discover that our faculty, administration, and outstanding students illustrate the preceding statement. The administration and faculty are indicative of our state's effort to present us students an opportunity to prepare for the future. That we have availed ourselves of this opportunity is exemplified through those students pictured here, who have been chosen to hold positions of honor and responsibility.

The SOUTHERNER is a useful, entertaining, and beautiful picture record of the happenings on our campus year after year. This valuable book is a vital part of our college life, and it helps to portray the progress made through the years. It is important to us now, but in the years to come it will become an invaluable source of information and pleasure. Congratulations to the editor and her staff on this 1962 edition of the SOUTHERNER.

FACULTY

Included in the School of Arts and Sciences are the departments of: Biology, Chemistry, English and Literature, Foreign Languages, Geography, History and Government, Journalism, Mathematics, Military Sciences, Physics, Religion, Philosophy, Sociology, and Speech Arts.

The purpose of the School of Arts and Sciences is to provide a broad cultural and educational experience for all stu-

dents at Mississippi Southern College, as well as to make available to them the specialized disciplines for major and minor fields. Freshmen and sophomores, regardless of their expected majors, are assigned to Arts and Sciences for the purpose of meeting the general education or core requirements necessary for graduation.

Students of the higher sciences spend many long hours searching, proving, and experimenting.

The School of Arts and Sciences is justly proud of its language laboratory where students of foreign languages receive instruction and drill via tapes and earphones.

Seated, Left to Right: Marion Busby, Mabel Baldwin, Hilda Holifield, Flora Watts, Francis Reck, Dr. Martin Stegenga, Wilson Ellis, Dr. Martin Wehling, Louis Dixon, James McQuiston. **Standing:** Anne Cobb, Roy

FACULTY

Organized into five departments, Accounting, Business Administration, Economics, Marketing, and Office Administration, the School of Commerce and Business Administration has as its objective the education of a student through a blend of cultural knowledge, economic literacy, basic business tools and specialized knowledge to allow him to rise in the business world to the maximum of his innate abilities. Specialized courses in various fields to suit different objec-

tives are superimposed upon a broad coverage of courses in the arts and sciences, mathematics, economics, and general business. Thus, it is believed that the graduate has been given enough specialized training to enable him to start work in one of the functional areas of business, and a broad enough education, with the ability to use managerial tools and exercise business judgment, to rise to the executive levels.

Since more and more business offices are using electric typewriters, the School of Commerce and Business Administration uses electric typewriters in its typewriting classes.

With the help of wall charts, booklets, and class discussions, Accounting 202 students learn how to file personal income tax forms.

FACULTY

Fifteen undergraduate departments, areas, and special services are included in the School of Education and Psychology. These are Conservation and Natural Resources, Elementary Education, Health, Industrial Arts, Library Science, Physical Education, Psychology, Recreation, Secondary Education, Therapy, Audio-Visual Education, Reading Clinic, Special Education services, and Student Teaching. The Department of Guidance and the Department of School Administration, Supervision and Curriculum are of graduate rank.

We are primarily concerned with offering courses in education and psychology required in the preparation of teachers for elementary and high schools; with giving basic training in the field of psychology for the students who will continue work in Graduate School or pursue advanced degrees in this field; with serving other departments of the college having special needs which are usually met by professional schools of education, psychology, physical education, health education and recreation.

These education majors are learning to make laminated posters which they will use as teaching aids.

Child Development, offered in the Division of Home Economics, has proven to be a very helpful course for elementary education majors.

First Row, Left to Right: Elsie Chichester, Dr. Bertha Fritzsche, Lois Drain, Amelia Thompson. **Second Row:** Fannie Owings, Lynette Tuggle,

Dr. Jewel Golden, Miriam Smith, Lelia Bourdin, Fern Hesson, Vera Barnett.

FACULTY

The Division of Home Economics is organized into six departments: Child Development, Clothing and Textiles, Food and Nutrition, Marriage and Family Life, Housing and Home Management, and Home Economics Education. These departments offer students a choice of nine majors for earning the Bachelor of Science Degree and four majors for the Master of Science Degree.

The curricula and courses in the Division of Home Eco-

nomics are planned to place emphasis on strengthening family living. Students who select a major from this Division are not only educated for a professional field concerned with the enrichment of the individual, the family, and the community, but are better prepared for the career of homemaking. Students who wish to minor or choose electives from home economics will find courses to suit their special needs and interests.

These students are gaining experience in the use of kitchen appliances.

FACULTY

Included in the Division of Fine Arts are the departments of Art and Music, with special divisions of drawing, painting, commercial art, and many divisions of music. Since the Arts have always been a personification of the mode of culture in a society, the college offers those students with special talents and abilities an opportunity to develop and improve their talents in order to pursue the fulfillment of their capacity.

The Department of Music was organized for a four-fold purpose: to combine musical and literary studies as a broad basis for regular college work; to use the art of music as a means of intellectual, aesthetic, and moral culture; to furnish instruction to special and general students; and to train vocal and instrumental supervisors of music and music therapy.

Teachers and students have an impromptu song feast.

FACULTY

First established in 1947, the Graduate program is based upon firm foundations and ideals of academic excellence, scholarship and research. The Graduate School offers the following graduate degrees: Master of Music, Master of Music Education, Master of Science, Master of Arts, Doctor of Education and Doctor of Philosophy.

Among the important goals toward which the Graduate School aims are the improvement of standards of living, the

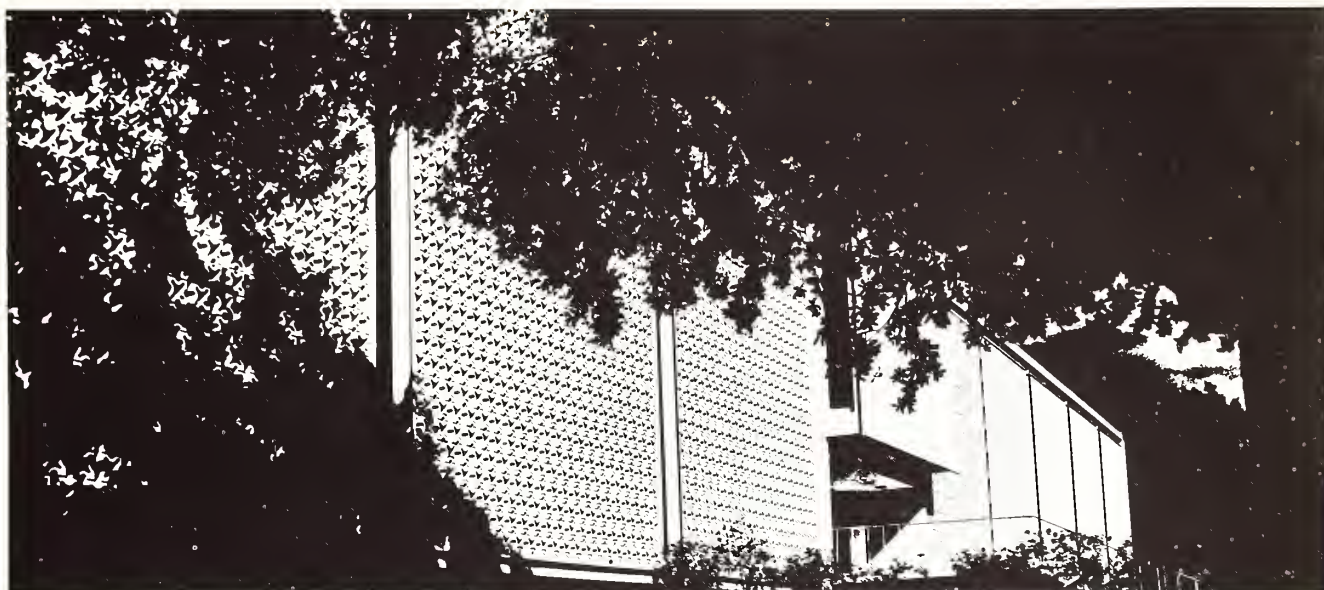

development of natural resources, the improvement of teaching in public schools in Mississippi, and the spread of cultural enlightenment in our area. The attainment of these objectives requires the services and abilities of scholars, specialists, and research workers in the various areas of intellectual endeavor. All work is designed to meet the needs of those who wish to pursue terminal degrees beyond the master's degree.

Much of a graduate student's time is spent in the library as he searches for information that will give him a better understanding of his chosen field.

Many graduate students receive teaching fellowships so that they gain valuable teaching experience as they continue their study.

The legislative powers of the SGA are vested in the student senate, which has a representative for each 100 students. Presided over by the SGA President, the acts of the senate are subject to the approval of the administration.

The Student Senate serves as a coordinator of many student activities, and budets and allocates the funds of the Student Government Association.

Justices of the Student Court are appointed by the President of SGA subject to approval by the Student Senate. The Student Court has the power to interpret the constitution, adjudicate all constitutional questions, hear appeals from the

Student Affairs Board, to recommend suitable punishment for any student for conduct which would bring discredit upon the student himself or the college, and to act as a traffic court.

Chartered at Mississippi Southern College in 1954, Omicron Delta Kappa is a national honorary leadership society for college men. It recognizes and encourages achievement in scholarship, student government, athletics, social and religious affairs, publications, speech, music, and dramatics.

Qualifications for membership in ODK—the highest honor paid a college man—are character, leadership and service in campus life, scholarship, fellowship and consecration to democratic ideals.

Phi Delta Rho recognizes scholarship, leadership, and character among senior women. Organized at Mississippi Southern College in 1941, Phi Delta Rho promotes high standards of democratic living, develops finer qualities of members, emphasizes scholarship and admirable personal qualities of womanhood.

The recipients of this honor are chosen by the Dean of

Women and a secret committee appointed by her. Selection is based upon the worthy contributions to the school, to their associates, and to themselves. Membership in Phi Delta Rho is the crowning point for the senior women who have participated as citizens of Southern for the three previous years.

PI KAPPA PI

Left to Right: Katie Welsh, Claire Weisend, President; Dr. John Allen, Adviser; Talmage Harper, Secretary; Keith Cobb, Judith Still, Vice-President; Julie Mount.

Pi Kappa Pi, national honorary scholastic fraternity, was founded at the University of Mississippi in 1925, in order to maintain honor and extend sound learning. Mississippi Southern College chapter was installed on March 31, 1949.

Membership in the fraternity is open to students who have maintained seventy per cent "A" grades for ninety

consecutive hours in residence at MSC. This standard makes Pi Kappa Pi the most demanding of all scholarship fraternities. Since Pi Kappa Pi recognizes high scholarship in any type of study for which a recognized academic degree is authorized, membership in the organization becomes a goal toward which many students may strive.

ALPHA LAMBDA DELTA

Chartered on our campus in 1957, Alpha Lambda Delta is a national freshmen women's honorary society. Its purpose is to encourage and to recognize high scholastic achievement among freshman women. A 3.5 average is required for membership in Alpha Lambda Delta.

Phi Eta Sigma, chartered in 1950, aims to encourage and reward high scholastic attainment among freshman men in institutions of higher learning. It, as Alpha Lambda Delta, is a national society which requires a 3.5 average for membership.

High honors of Mississippi Southern College are membership in Hall of Fame and Who's Who in American Colleges and Universities. These honors are awarded to those who are richest in ability and who have given the most moral, religious, civic, and academic service to the school. The method of election, faculty vote based upon past record, makes these among the most desired honors at Southern.

Not only service, but also popularity, talent, and beauty—qualities possessed in part by every Southern student—are enhanced and developed by the atmosphere prevailing campus life. Mr. and Miss MSC, Miss Southern, Beauties, and alternate Beauties are all fit and charming representatives of a school filled with elements of Southern culture.

The students pictured in this section have gained coveted titles and, along with these titles, the admiration and respect of their fellow students and the faculty.

WHO'S WHO

AMONG STUDENTS IN AMERICAN COLLEGES AND UNIVERSITIES

The students recognized by Who's Who Among Students in American Colleges and Universities are nominated from approximately 750 colleges and universities. Campus nominating committees consider, in making their selections, the student's scholarship, his participation and leadership in academic and extracurricular activities; his citizenship and service to the school; his promise of future usefulness.

After being chosen by the campus committee, the student's name is submitted to the national organization. Mississippi Southern College is extremely proud of the thirty-seven outstanding students who have been accepted for Who's Who.

Pictured on the following pages are the outstanding students of Mississippi Southern College for the year 1961-62. Each recipient is the possessor of one main outstanding quality: an exceptional ability in all of the different areas and modes of college life. It is easily recognizable from the listing of their activities and honors that these students have taken a part in and exemplified themselves in all phases of campus activity. The **SOUTHERNER** takes pride in presenting the outstanding students who have contributed the most to our campus community.

Mississippi Southern College, well known for its beautiful women, has proudly presented on the preceding pages some of the most beautiful women in the state of Mississippi. Each year the social sororities, fraternities, and other groups on campus enter candidates in the beauty election which is an all-campus election. The twenty girls receiving the most votes are named the top twenty beauties of MSC. To elect the top ten beauties, the students cast their votes for ten of the top twenty girls. The ten girls who receive the highest number of votes are featured as the top ten beauties on the campus of Mississippi Southern College.

MISS HOSPITALITY

The "Spirit" of Southern is found in the noise and color of a pep rally, the excitement of a football game, Greek Song Fest and Skit Night and other activities of the year.

There would be no great spirit at Southern without pride in the cheerleaders, Marching Band, Dixie Darlings, and the teams participating in the various sports around the year.

Sororities and fraternities also play a vital part in the well-rounded campus program and add much to the spirit of friendly competition found at MSC. Their diversified programs—social functions, charitable fund-raising campaigns and campus-wide activities—along with the athletic features, band, and Dixie Darlings, provide the school with a valuable part of college life.

THE PRIDE OF MISSISSIPPI

MSC Drummer perform for interested fans.

Pride is the only word capable of describing the feeling of our students when the MSC Marching Band, better known as the "Pride of Mississippi," performs at half-time. Under the capable leadership of Director William J. Moody and Associate Director Raymond Young, the 100-member organization entertains thousands each year here at MSC and at the Blue-Grey Game and the Senior Bowl. Adding talent and beauty to the Marching Band are the Nationally Famous "Dixie Darlings." Under the direction of Miss Frances Jelinek, this 40-member team of precision dancers not only holds the esteem of all the students and faculty at MSC, but also the praise of many admirers gained through television appearances.

MSC featurettes, Betty Akers, Claudia Simpson, Madge Clacker, and Sandra Mazur add beauty and talent to the Pride of Mississippi.

THE 1961 FOOTBALL SEASON

Mississippi Southern finished its 1961 football season with an eight win, two loss record. The 1961 Southerners performed very well at each of their outings overpowering each of their foes in statistics as well as on the scoreboard in eight of their clashes. During the season Coach "Pie" Vann found his "22-man first team" very effective in many cases, as well as his "B-team," which is not to be underrated.

This season starred many of the powerful Southerners, with many placing high on the list of statistics. At the head of this list was senior quarterback Don Fuell who paced the Southerners in almost every category. Fuell later went on to play a top role in two post-season all-star games, the Blue-Gray game in Montgomery and the Senior Bowl game in Mobile.

Many times during the season Coach Vann found it profitable to use his well-accredited "B-team" which was able to move the ball as well as the starting eleven in many cases.

This year the Southerners performed well in all phases of play, but one can not help but mention the great defensive

game played throughout the season. Defensive specialists such as centers Harold "Hurricane" Hayes and John Ratesic, guards Charley Parker and Nick Kolinsky, tackles Jim Payne, George "Big Daddy" Hultz and Marvin Brezeale, and ends Leon Akins and Charley Dedwyler proved to be the breaking point in many drives which may have resulted in scores and possible defeat for the Southerners.

Not only did the Mississippi Southern varsity squad have a very favorable season, but Southern also saw one of its finest Freshman teams in action. This year's freshman squad performed outstandingly in each of its outings. The freshmen are providing a strong source of power for the varsity to mold itself around in the coming years, which should be something worth watching.

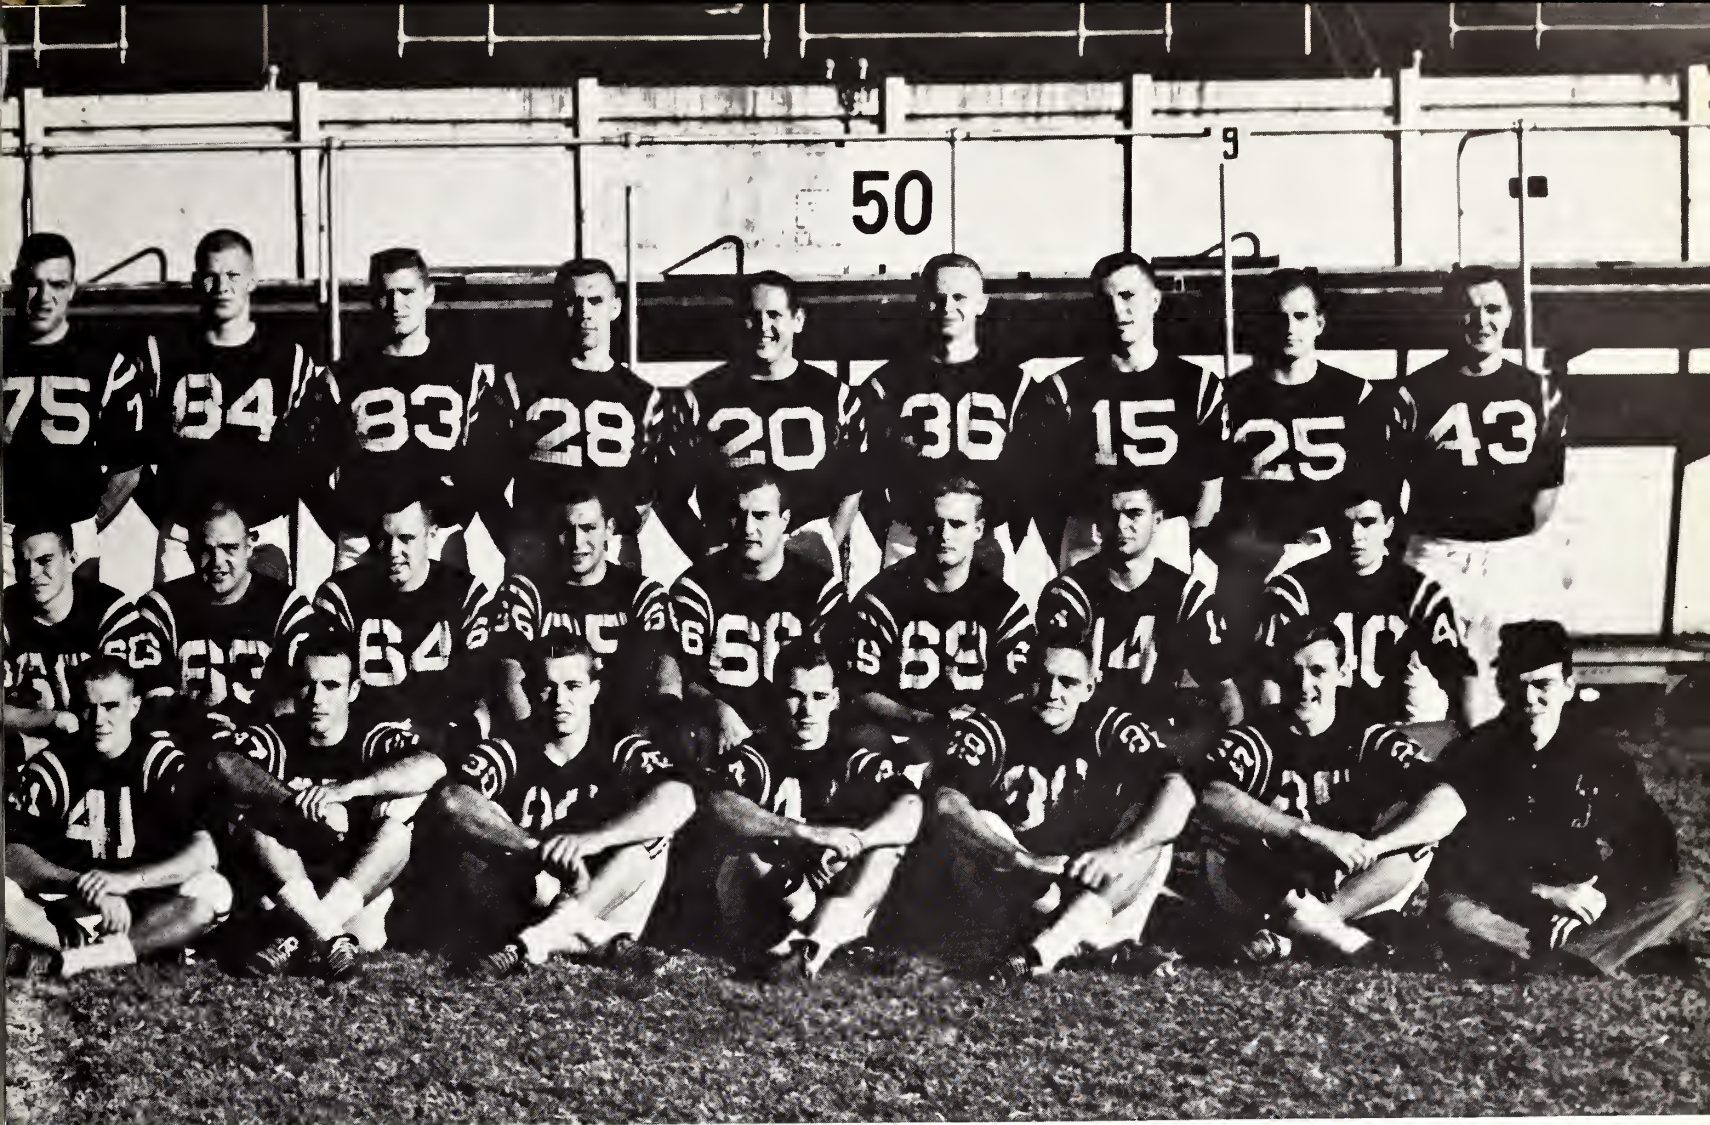

This year's eight win and two loss record broke the two year span of six wins and four losses. Next year we will be looking for the powerful Southerners to repeat the 1958 record and go undefeated.

Sparked by quarterback Don Fuell the Southerners opened their 1961 football season by downing the Arlington State Rebels 30-7.

The fired up Southerners gained a two touchdown lead early in the game, and Arlington State never came close. Fuell, John Sklopan, Wendell Campbell, and Billy Coleman

each scored for the versatile Southerners.

Coach Vann kept his "22-man first team" in the game until three touchdowns were rammed across, then used reserves for most of the second half.

The ASC Rebels managed to get into the ball game only one time when they scored after taking a Southern punt.

After a week off the powerful Southerners posted victory No. 2 at Lafayette, Louisiana, by overpowering the University of Southwestern Louisiana Bulldogs 22-6.

The Vannmen scored with ease the first time they got the ball on a 77-yard jaunt after taking the kickoff.

The fired up Bulldogs began to fight back tooth and nail, and held the Southerners scoreless for the remainder of the half. The Bulldogs chalked up one touchdown to MSC's two in the third quarter to end the scoring for the night.

The Southerners remained unbeaten in three starts by overwhelming Chattanooga, 24-7, before a large Band Day crowd.

Senior quarterback, Don Fuell, sparked the Vannmen by scoring all of their 24 points. The Southerners dominated the

scoreboard by scoring once in the second quarter, once in the third on a field goal, and twice in the final period.

The Moccasins' only tally came after Southerner's second touchdown in the fourth quarter, on a 72-yard gallop by fullback Carey Henley.

Mississippi Southern fell for the first time this season to the Memphis State Tigers in hard fought, rugged battle.

Fumble and intercepted passes told the story many times when the Southerners were headed for pay dirt. Southern's only score came in the third period when quarterback Morris

Meador took a Memphis pass and returned to the Tiger 38-yard line. Don Fuell later sneaked across from the one yard stripe.

The Southerners held the Tigers to a three touchdown lead, their smallest of the year.

The Southerners gained their fourth triumph in five starts as they rolled over the Arkansas State Indians, 20-0.

The Arkansas Indians controlled the ball most of the first half, but were never able to move past the Southern 30-yardline. The Southerners had to overcome many mistakes to

gain their lead, but also took advantage of the mistakes on the part of the Redmen.

Quarterback Don Fuell, fullback Wendell Campbell, and end Roger Hicks took the scoring spotlight for the Southerners.

A fired up Southern squad romped over the Abilene Christian Wildcats, 33-6, before a packed homecoming crowd.

Southern powered a score across in every quarter of the game, using reserves most of the night. Fullback Wendell Campbell, Quarterback Don Fuell, Quarterback Gilly Cole-

man, and Fullback Dick Mapes accounted for all of Southern's points.

The Abilene Wildcats managed to score only once in the closing moments of the game, set up by a 29-yard dash by halfback Bill Bryant.

The Southerners came out on top in a wet 7-0 win over the Louisiana Tech Bulldogs. The win plus the weather spoiled the Bulldogs' homecoming.

A very tough Southern defense, and the foot of Jerrel Wilson were major factors in the Southern victory. South-

ern's Ben Willoughby slammed over from the seven yard line climaxing an 88-yard drive in the opening moments of the first quarter to score the game's lone touchdown. From this point on, Southern settled down to defend their lead.

MISSISSIPPI SOUTHERN NORTH CAROLINA

Mississippi Southern scored early, fell behind in the second quarter, and spent most of the remainder of the evening desperately fighting off North Carolina State penetrations in a 7-6 loss.

The crowd of some 13,000 expected to see a battle be-

tween the two great quarterbacks, Don Fuell of Southern, and Roman Gabriel of North Carolina State. However Southern was held on the defensive most of the night, while they managed to hold Gabriel's passing to a minimum.

A determined, sky-high Mississippi Southern eleven upset major college Florida State 12-0, spoiling the Seminoles' homecoming. Southern's rugged defensive unit held the Florida State running attack all afternoon.

Both Mississippi Southern touchdowns were set up on re-

covered Seminole fumbles of which the Southerners took advantage. Halfback Jim Havard and quarterback Don Fuell scored a touchdown apiece for Southern.

The Southerners looked good both on offense and defense, but this was the best show of power on defense this season.

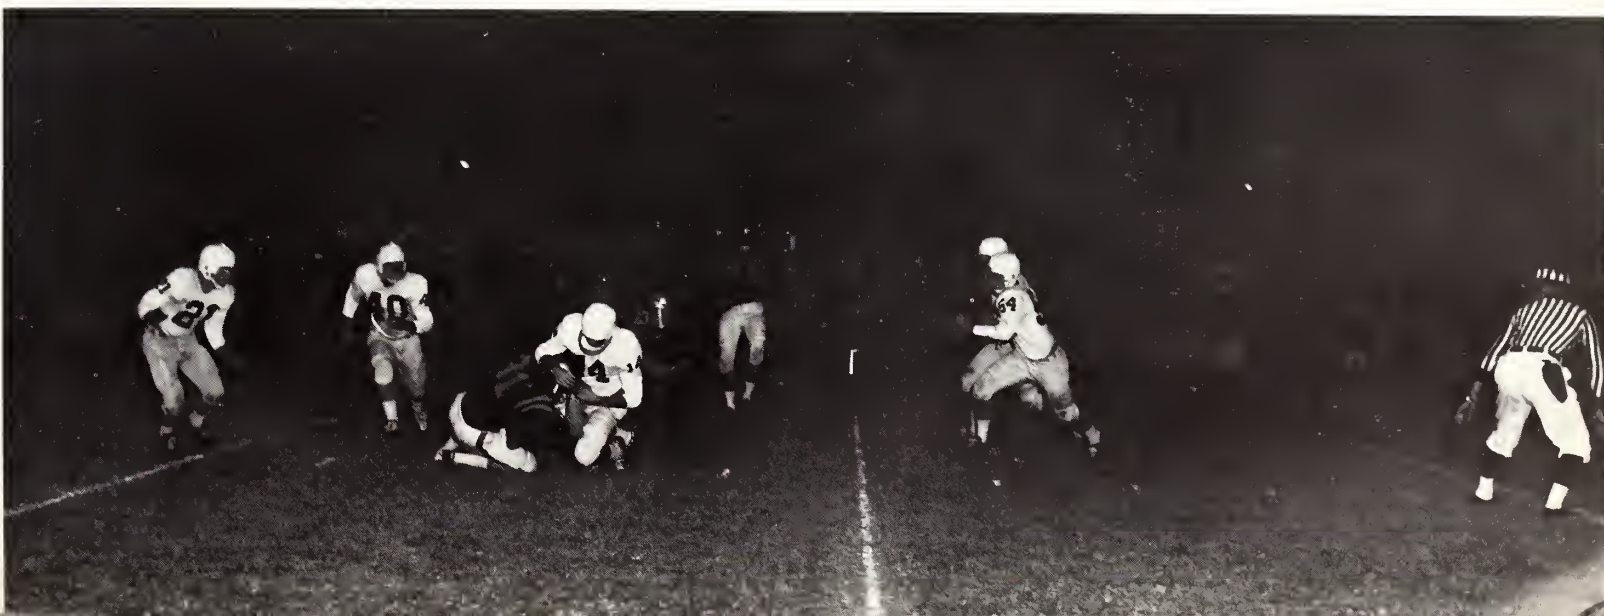

MISSISSIPPI SOUTHERN TRINITY

The Southerners, up against a determined Trinity eleven, found themselves behind after the third quarter, sparked by quarterback Billy Coleman the "Bees" pushed the ball across on a 51-yard drive putting Southern ahead where they remained the rest of the night.

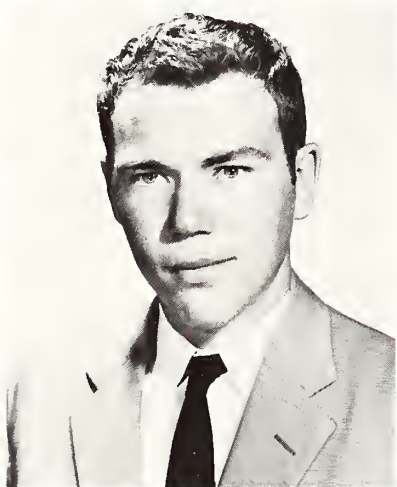

The first unit, not to be outdone, took the ball from their eleven and in 12 plays pushed over for the score. Meador kicked the point, making the score 22-14, giving the Vannmen their eighth win of the year.

**Gulf South Classic

The 1961-'62 Mississippi Southern College basketball team finished the season with an even .500 record, winning thirteen, and losing thirteen. Head basketball coach Fred Lewis did a fine job during the season trying to rebuild his squad. Coach Lewis and his assistant coach Morris Osburn built the Southern cagers around two returning veterans, Roy Danforth, and Richie Goldberg. These two hardcourt aces (two of the '60-'61 "Magnificent Seven") paced the Southerners in all phases of statistics. While leading the team in scoring, Roy Danforth joined the ranks of the select few great Southerners of the past who scored over 1,000 points in their careers at Southern.

The 1961-'62 basketball season saw the performances of four newcomers to the squad. The new men this year were: Howie Berube, a six-foot four-inch sophomore forward from Schenectady, New York; Ron Dodson,

a six-foot three-inch junior forward from Ireland, Indiana; Frank Ellis, a six-foot four-inch freshman forward from Yazoo City, Mississippi; Jerry Welch, a six-foot freshman guard from Laurel, Mississippi; and Bruce Miller, a six-foot two-inch forward from Media, Pennsylvania. Those returning from last year's squad and turning in outstanding performances are: Danforth, a six-foot senior guard from Summitville, Indiana; Goldberg, a six-foot one-inch senior guard from Brooklyn, New York;

ROY DANFORTH

RICHIE GOLDBERG

Joe Grubar, a six-foot four-inch sophomore guard from Schenactady, New York; Jackie Laird, a six-foot two-inch sophomore guard from Bassfield, Mississippi; Jim Walker, a six-foot nine-inch sophomore center from New Hebron, Mississippi; and Carl Harper, a six-foot four-inch sophomore forward from Hattiesburg, Mississippi.

The only two graduating seniors on the hardcourt team this year are Roy Danforth and Richie Goldberg. This leaves coach Lewis a young and experienced team to work with for at least two more seasons. The thirteen wins this season came over such foes as: Florida Southern, Oglethorpe, Georgia Southern, Eastern New Mexico, Louisiana Tech., Southwestern Louisiana, Spring Hill, Jacksonville University, Tampa, Christian Brothers, and Centenary. The losses came at the hands of: Murray State, Oglethorpe, Georgia Southern, The Citadel, Louisiana, and Delta State. During the season the "Golden Giants" crossed the century mark by scoring wins of 107 to 77 over Spring Hill.

The individual season highs of the past campaign were as follows: total points scored in one game—Richie Goldberg, in the Centenary game, with 34 points (14 field goals and 6 free shots); field goals scored in one game—Richie Goldberg, with 14 completions out of 20 tries in the game against Centenary;

Basketball has its ups and downs.

BRUCE MILLER

free throws scored in one game—Roy Danforth, scoring 10 out of 11 tries in the game with Southwestern Louisiana; number of rebounds in one game—Roy Danforth with 16 out of 55 by the team in the game with Eastern New Mexico. Team high marks during the season were: total points scored in one game—107 against The University of Tampa; field goals scored in one game—42 against The University of Tampa; free throws attempted in one game—43 against Louisiana Tech.; free throws scored in one game—36 against Louisiana Tech. Three men reached the double-figure mark after the season's averages had been totaled. Those doing so were: Guard Roy Danforth with 14.8, guard Richie Goldberg with 13.3, and forward Bruce Miller with 12.4. Barely missing the double-figure mark was Howie Berube with 9.2. Total points scored went much the same as Danforth scored 384, Miller 322, Goldberg 306, Berube 240, Joe Grubar 221, and Laird 212, as the high men for the year.

Displaying a comical attack and a scoring splurge late in the second quarter, the "Golden Giants" galloped to a decisive 107-77 victory over The University of Tampa. It was the most points tallied by the Southerners in five years and added to the impressive 8-1 record on home court. Probably the greatest excitement of the game resulted from the 101 point, sunk by 6-4 Frank Ellis, who came into the game late and left with a proud two points.

Reach for the top, Southern.

Sometimes a goal is hard to make.

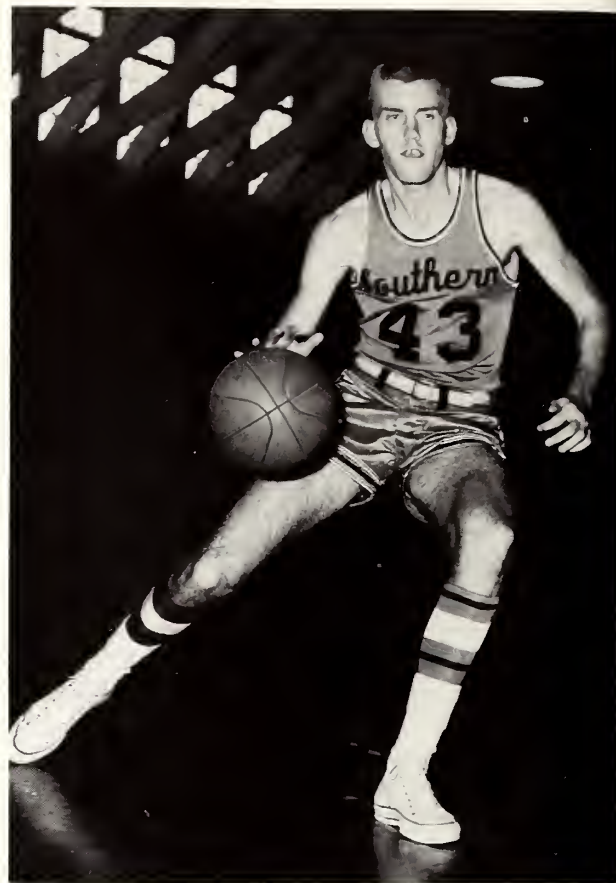

Five Southerners figured in the double figures with Howie Berube and Richie Goldberg pacing the way with 21 and 20 respectively. Also in the high scoring department were: freshman Bruce Miller, 19, and Jerry Welch, 12, and captain Roy Denforth, 11.

Winning the game for Southern was the high percentage of field goals. Sinking 42 of 20 two-pointers, MSC also raked off 54 rebounds with Tampa collecting only 38.

Spring Hill College got its upset when the Southerners dropped the Badgers with astonishing ease amidst fouls, fouls, and more fouls. The Southern Cagers swished the nets for over 100 points for the second straight home game as the final score read 103-76.

With 11 and a half minutes left in the game the "Golden Giants" were still a far cry from 100 as they still had 30 to go. Then in the next four minutes they hit for 11 points and after that started shooting like over-eager high schoolers. As time grew short the crowd grew panicky and sat forward a little more on the bleacher seats. Just 30 seconds left on the scoreboard clock when the man of the hour, Jackie Laird, came through with one of his driving, twisting lay-ups that put the score over the hundred mark.

Southern had five men in double figures, paced by Joe Grubar's 22.

Mississippi Southern College pulled off a stunning 97-75 upset over Centenary to put the lid on their 1961-'62 regular season basketball campaign before a packed house in the sports arena. Red-hot Richie Goldberg closed out his career in a blaze of glory, dumping in 34 points for his career high as he popped in 14 of 20 shots from the field and hit 6 for 6 at the free-throw line.

Roy Danforth, the only other senior on the Southern squad, also was in the double figures with 12 points on 5-11 from the field and 8-2 from the line, and along with Bruce Miller led the teams in rebounds, grabbing off 10. After leading by only four points at half-time the Southerners pulled away during the final minutes, outscoring the "Giants" 32-11 during the final eight minutes. With 1:32 remaining to be played, Coach Fred Lewis removed the two senior guards, Goldberg and Danforth, and they left the game, amid a standing, shouting ovation, for the last time.

M. S. C. THEATER DEPARTMENT

Pictured here are scenes from the Southern Players productions of 1961-62. The major Fall production was

"JB," a modern version of the Biblical book of Job.

An annual event for the MSC Theatre Department is a

Children's play which tours towns in Mississippi and Louisiana. "Sleeping Beauty," the 1961 play, enthralled many children and netted an even higher attendance than the preceding year's play.

For their Winter production, the Southern Players presented "Desire Under The Elms" by Eugene O'Neil.

Scheduled for spring is an original play by Mary Eleanor Ellis about a Mississippi family during the Civil War. The title of this play is "The Cry of The Jay."

From "JB," Willy Jones (Zeus) and Don Hood (Nickles) discuss their plans to present a play, the story of Job.

ALL CAMPUS MUSICAL

Of all the events of the school year, the All-Campus Musical is undoubtedly the top highlight. Under the direction of Gilbert F. Hartwig, last year's production of "Damm Yankees" proved most successful. Students from just about every department on the campus worked together in a massive joint endeavor.

"Damm Yankees" was the Fifth Annual All-Campus Musical presentation. Previous musicals were "Hey Daze," "Brigadoon," "Guys and Dolls," and last year's "Oklahoma."

Joe Hardy, portrayed by Bruce Criswell, and Lola, portrayed by Sylvia Keeton.

SUMMER STOCK

This past summer marked the third season of the Mississippi Southern Summer Theatre. As in the summer preceding, the program was very successful.

In previous years guest stars from the community made appearances, and the last season was no exception. Eddie Hodges, famous star of Broadway, appearing in the play, "Mrs. McThing," was one of the many highlights.

Seven plays—"Boyfriend," "Laura," "Look Homeward Angel," "Mrs. McThing," "Man in The Dog Suit," "Picnic," and "Seven Year Itch"—composed the successful program for the 1961 season.

Sandi Howard stars in "Man in a Dog Suit."

Marsha Jones and Walter Ely in the "Seven Year Itch."

Dr. David Foltz, director, and a group of the Southern Singers practice.

The Southern Singers, under the direction of Dr. David Foltz, is the major choral organization on the campus. This choir appears in concerts on campus, throughout the state, and in some instances adjoining states. During Fall quarter the Southern Singers journeyed to New Orleans, in order to make a recording for the Columbia Broadcasting System. On December 19 this recording was broadcast coast to coast on the CBS network radio stations to celebrate the Christmas season.

Each Spring there is a state tour made by the Southern Singers, which is another part of the public relation program of the choir for the college.

OPERA WORKSHOP

The yearly production of the music division was "Oh Susannah" by Carlisle Floyd. This topnotch production had Mr. Leonard Stocker as its production director and Mr. Harris Crohn as its musical director. Appearing in the lead were Norman Treigle, bass baritone of the New York City Center Opera, and Diana Stewart as Susannah.

ALPHA SIGMA ALPHA

Colors: Crimson and White

Flowers: Aster and Narcissus

Founded: Longwood College, Farmville, Virginia, November 15, 1901

Installed: Beta Delta at M.S.C. in May, 1938

Alpha Sigma Alpha is known for its sisterhood in connection with service to others, friendship and the closeness of a family. Alpha Sigs experience a sharing in the dreams, work, and play of their sisters. The aims of Alpha Sigma Alpha are to broaden the physical, intellectual, social, and spiritual development of its members. The major philosophy of Alpha Sigma Alpha is a love of life and a joyous living of that life.

Their most prominent philanthropic project concerns the mentally retarded children, and this has brought much happiness to the Alpha Sigs of Southern's campus. They donate money to help buy necessities for a local day school and also spend an afternoon at the school and take the children educational toys which have been made for them.

The Alpha Sigs are also proud to say they have permanently obtained the Panhellenic scholarship plaque by having maintained the highest scholastic average among sororities for three consecutive years, and some of her members are in many outstanding honorary societies such as Pi Kappa Pi, Phi Delta Rho, Alpha Lambda Delta and many others.

In the founding of Alpha Sigma Alpha, five young women took part. They all wished to become members of the same organization in order to be able to share their innermost secrets. And so, on November 15, 1901, Louise Cox, Virginia Boyd, Calva Watson, Mary Williamson and Juliette Hundley breathed life into a sisterhood which they were to share with thousands of others in years to come.

The Alpha Sigma Alpha pin emphasizes spiritual, physical, intellectual, and social growth. These may produce women of poise, power, personality and purpose, who shall be noted for their character, caliber, culture, and charm.

Alpha Sigma Alpha brings its members a rich heritage to be zealously guarded and worthily enlarged by every pledge and initiate.

Chi Omegas homecoming is 1st in beauty.

CHI OMEGA

Flower: White Carnation

Colors: Cardinal and Straw

Founded: University of Arkansas, April 5, 1895

Installed: Epsilon Delta at M.S.C., April 23, 1949

Chi Omega was organized at the University of Arkansas on April 5, 1895 by Dr. Charles Richardson, Ina Mae Boles, Jean Vincenheller, Jobelle Holcombe, and Alice Simonds. The flower is a white carnation and the colors are cardinal and straw. Epsilon Delta chapter came to Mississippi Southern College on April 23, 1949.

Chi Omega stresses the formation of lasting friendships. Its purposes are the attainment of superior scholarship, the development of womanly character, and participation in social and civic services. Chi Omega was the first fraternity to organize social and civic services as a definite policy of the fraternity.

On a national basis, Chi Omega's contributions are the Service Fund Studies, membership in the Personnel Research Federation, and the National Achievement Award, which is presented annually for the purpose of recognizing eminence of women in the fields of education, business, art, science, and public affairs.

Participation in campus activities is one of the policies of Chi Omega. Some of Epsilon Delta's activities include having a Halloween party following formal rush season honoring all sorority pledges, sponsoring an inter-fraternity Song Festival preceding the Christmas holidays, and offering an annual award to the woman who is superior in social studies. Individual Chi Omegas are found in Alpha Lambda Delta; Pi Kappa Phi; Pi Tau Chi; and they hold such honors as Dormitory officers and Counselors; Senators; Class Officers; Beauties; ATO Sweetheart; R.O.T.C. Sponsor; Ten Best Dressed; Religious Emphasis Week Committee of 100; and others.

Other events of the Chi Omega year include slumber parties and supper meetings in the room; a Mother-Daughter Banquet; a party at Christmas for underprivileged children; White Carnation Week and Eleusinian Banquet; a date Christmas party; and a spring formal. These occasions are just a few in which Chi Omegas gather to share their mutual ideals and to strengthen their sisterhood and love for Chi Omega.

DELTA DELTA DELTA

Flower: Pansy

Colors: Silver, Gold, and Blue

Founded: Boston University on Thanksgiving Eve, 1888

Installed: Phi Epsilon at M.S.C., May, 1951

Each year at Thanksgiving, Tri Deltas everywhere commemorate the occasion of 1888 at Boston University when Sara Ida Shaw, Eleanor Dorcas Pond, Isabel Morgan Breed, and Florence Isabelle Stewart took an oath of loyalty to Delta Delta Delta Fraternity. Since its founding Tri Delta has expanded into one of the largest of the 31 NPC groups with 105 chapters in the United States and Canada, with a membership of over 65,000 young women.

Our purpose has been, from the beginning, to establish a perpetual bond of friendship between our members, to develop a stronger and more womanly character, to increase the intellectual life, and to assist our members and others in every possible way. The symbols that guide Tri Deltas throughout the nation are the pansy, pine tree, trident, three pearls and crescent.

Tri Delta is proud to have been the first fraternity to establish an endowment fund, to compile a chapter history, to hold a national leadership school, and to establish a central office.

Tri Delta begins her social year with the honoring of her new pledges with an all-campus Bermuda hop. Throughout the year, we have a Christmas dance for Tri Deltas and their dates, a Founders' Day Banquet, Pansy Breakfast for Tri Deltas and their mothers, Spring formal and "Pine Party" for underprivileged children. The many informal get-togethers include coke parties, sing-songs, and "apple polishing parties" for our alumnae.

Tri Delta is a fraternity devoted to the principles of friendship, love, and sisterhood. Membership in Delta Delta Delta carries with it the joy of high endeavor, the pleasure of close associations which result in life-long friendships. As we of Tri Delta believe strongly in the goodness of fraternities and because of what Tri Delta means to us, we say, "Tri Delta is for always."

Delta Zeta Homecoming float.

DELTA ZETA

Flower: The Killarney Rose

Colors: Old Rose and Vieux Green

Founded: Miami University, October 24, 1902

Installed: Epsilon Mu at M.S.C., September 23, 1956

The object of Delta Zeta is to unite its members in the bonds of sincere and lasting friendship, to stimulate one another in the pursuit of knowledge, to promote the morals and social culture of its members, and to develop plans for guidance and unity in action: objects worthy of the highest aim and purpose of associated effort.

The chain of Delta Zeta friendship is being widened each year through its National Philanthropic Program known as "Adventures in Friendship." DZ assists in the work being done by Gallaudet College, the only college in the world devoted to training young people who are deaf. Other philanthropies include purchasing hearing aids for underprivileged children and supporting a patient.

Also on the National level, Delta Zeta sponsors the only hospital in the world for Hansens disease. DZ chapters all over the United States, in Alaska and Hawaii, adopt a patient at the hospital and sent letters and good will gifts throughout the year.

On the local level, the Winter Carnival was held this year for the first time. The proceeds were given to Mrs. Wilbur for a Panhellenic Scholarship Fund, and to Dr. Nau for the Danforth Chapel chimes. Also for the first time, Delta Zetas made and decorated stuffed animals for Christmas presents to the children at Play Haven; they also gave a children's party in the sorority room at which four children were given a gift from each girl

At the beginning of the year the new DZ pledges are honored with a banquet at the Holiday Inn where "Big Sisters" are announced. Delta Zetas also celebrate Founders' Day with a banquet, a Mother-Daughter Banquet, a Christmas Dance, and a Spring Formal. The last week of pledging is spent in "Rose Week" in Delta Zeta, which consists of parties, gaiety, and ceremony before the final initiation.

KAPPA DELTA

Colors: Olive Green and Pearl White

Flower: White Rose

Founding: October 23, 1897, Longwood College, Farmville, Va.

Installed: Beta Sigma at M.S.C., May 14, 1949

Kappa Delta's history is a story of friendship, of high ideals, and of loyal service. It was founded by four young college girls, Mary Sommerville Sparks, Julia Tyler Wilson, Sara Turner White, and Leanora Ashmere Blackiston, who sought to create a beautiful symbol for their aspirations and to perpetuate their friendship far into the future. Their four primary objectives were sisterhood, scholarship, social interest, and service, and these have been expanded and strengthened by many thousands of loyal college women who have formed their closest ties within its bonds and found self-expression in building its organization. In the close relationships between Kappa Delta members and pledges today, they strive to meet sisterhood and scholarship ideals.

Since 1921, Kappa Deltas throughout the country have taken part in aiding crippled children. We point with pride to work with crippled children as its National Philanthropy. On the local level, Beta Sigma Chapter of Kappa Delta has many social service projects such as providing milk for under-privileged school children, distributing baskets of food to the less-fortunate, giving a Christmas party for the needy children, and helping during times of local emergency.

On Honors Day, a women's intramural trophy is presented by Kappa Delta. Annually, the KD Pledge class sponsors a "Parade of Talent," which gives talented M.S.C. students an opportunity to perform competitively before an audience.

Social activities are an important part of Kappa Delta. During the year, those events which are most memorable are the Pledge Banquet Christmas Dance, Office's Banquet, Spring Formal, and White Rose Week Parties.

A Kappa Delta Lady is a composite of widely varying interests and talents. In her attempt to "strive for that which is Honorable, Beautiful, and Highest," a Kappa Delta is found in Phi Delta Rho, Dixie Darlings, Who's Who, Alpha Lambda Delta, religious organizations, Homecoming Court, Vesper Choir, and the Beauty Ball.

Phi Mu's win for originality.

PHI MU

Flower: Rose Carnation

Colors: Rose and White

Founded: Wesleyan College, Macon, Georgia, March 4, 1852

Installed: Alpha Omicron at M.S.C. in 1950

Phi Mu is listed among the largest of the National fraternities with chapters in universities and colleges in most of the fifty states.

Three young girls in Wesleyan College, Macon, Georgia, founded Phi Mu over a hundred years ago, as the Philomathean Society. These three girls planned and developed the organization. On March 4, 1852, the establishment of the Philomathean Society was announced. This date Phi Mu has celebrated as Founders' Day.

In 1900, the Philomathean Society took the first step toward becoming a Greek letter fraternity when the letters Phi Mu were adopted to symbolize the Philomathean secret motto.

In 1904, the fraternity was incorporated under the laws of the State of Georgia, granting it the right to place chapters in other colleges throughout the United States.

The Alpha Omicron Chapter of Phi Mu holds a Philomathean Hour in honor of our founders. This hour is devoted to a cultural program. Many speakers in varied fields have been present.

Each month we have a social service project. One phrase of our creed, "to lend to those less fortunate a helping hand," is the motivating force of Phi Mu's social service program. Phi Mu stretches out her hand in many directions.

Each fall we have a Pledge Banquet and a Christmas Dance. During the remainder of the year, we have a Valentine Banquet, a Mother-Daughter Banquet, and a Spring Formal.

Besides our own traditions, Phi Mu's are active in all campus activities. We strive to help make our campus the Biggest and the Best.

Phi Mu has a glorious past, a brilliant present, and looks forward to the future with utmost confidence—a future that is based on its heritage and ideals, its strength in organization, numbers and resources, developed through over a century of continuous advancement.

PI BETA PHI

Flower: Wine Carnation

Colors: Wine Red and Silver Blue

Founded: April 28, 1867, at Monmouth College, Monmouth, Illinois

Installed: Mississippi Alpha at M.S.C., April 8, 1961

Mississippi Alpha chapter of Pi Beta Phi was installed April 8, 1961. The girls of Mississippi Alpha chapter take great pride in being the 105th chapter of Pi Beta Phi.

The golden arrowhead, the pledge pin, is a lovely symbol of the girls' first pledge to Pi Beta Phi. She always wears the arrowhead pointing skyward toward greater and higher things. Just as her pledge sister wears her arrowhead pointing upward, the active member wears her slender arrow pointing upward. The active pin is an inch long Arrow set with different stones.

One of the most interesting things about Pi Beta Phi is its philanthropic project—"The Settlement School." Nearly fifty years ago, Pi Phi felt that it had grown so much within itself that it was time for it to expand and spread its good qualities over a greater area. The Grand Council asked the Commissioner on Education of the United States in what area the fraternity could do the most good. The Commissioner instructed the fraternity to provide some sort of schooling for the children of the West Tennessee Hills. The fraternity promptly established its Settlement School in Gatlinburg. The children that are reached by this Settlement School are children who would have not ordinarily had the opportunity to go to school.

Through the Settlement School the adults and children are also taught handicrafts, and the goods they produce are sold through the Arrow-craft Shop in Gatlinburg and through Pi Beta Phi Alumnae Clubs all over the United States.

In addition to its philanthropic work, Pi Beta Phi has many fellowships and scholarships.

The fraternity seeks to enable its members to become noble women through religious, social, and intellectual development and to develop strong bonds of friendship through Wine and Silver Blue.

Tri Sigmas Homecoming float.

SIGMA SIGMA SIGMA

Flower: Purple Violet

Colors: Royal purple and white

Founded: Songwood College, Farmville, Virginia, on April 20, 1898

Installed: Alpha Sigma at M.S.C., in 1937.

Sigma Sigma Sigma was founded on April 20, 1898, at Longwood College, Farmville, Virginia. The jewel of the sorority is the pearl. Alpha Sigma chapter, installed in 1937, was the first national sorority to be established at Mississippi Southern College. The sorority was founded with a desire to help its members develop high ideals of character and confidence, to establish lasting friendships, and to produce well-rounded, self-reliant women in group living.

Tri Sigma's main philanthropic theme is "Sigma serves children." Through this theme, Tri Sigma has established the Robbie Page Memorial Fund. Alpha Sigma chapter, along with other Sigmas throughout the United States, helps support the Robbie Page Memorial Hospital at Chapel Hill, North Carolina. Tri Sigma at Southern ranked fourth this past year in the nation in contributions to the hospital. Tri Sigma has also furnished the John Randolph Children's Library in Virginia. Locally the sorority gives a basket at Thanksgiving, and entertains the retarded children at Play Haven School at a "Getting ready for Christmas" party. The chapter also participates in the March of Dimes and Heart fund drives in Hattiesburg.

Socially, Tri Sigmas enjoy an annual spring formal, founders' day banquet, Christmas dance, Christmas member-pledge party, Sigma week, and spend-the-night parties.

Tri Sigma also sponsors the "Outstanding pledge award" each year on awards day. Each year a pledge from each sorority is nominated for her outstanding abilities both in the sorority and in campus activities. The winner chosen by a selected committee receives a loving cup.

Tri Sigmas at Southern boast an eventful year: in October, they were hostess to Gulf Regional meet when Tri Sigmas from Louisiana, Mississippi, and Florida visited the campus; in April, the sorority will celebrate its twenty-fifth year at Mississippi Southern, and in June, it will be the hostess chapter to Sigma Sigma Sigma's National Convention.

IFC Officers. Left to Right: Dick Wilson, Vice President; Henry Aparicio, President; Mike Maitre, Secretary. **Second Row:** Dave Foster, Treasurer; Michael Kavanaugh, Parliamentarian.

The Interfraternity Council is an organization composed of the seven fraternities on Southern's campus. All fraternities are bound by the rules and decisions of the organization.

The purpose of the council is to act as a governing body of fraternities, promote better harmony and cooperation between fraternities, and advance the interest of Mississippi Southern at all times.

One of the primary duties of the IFC is the establishing of rules relating to rushing, pledging, and initiation of fraternity men. In doing this, the IFC tries to insure fairness to the rushee as well as to each individual fraternity.

ACACIA

Flower: Bloom of Acacia Evergreen

Colors: Old Gold and Black

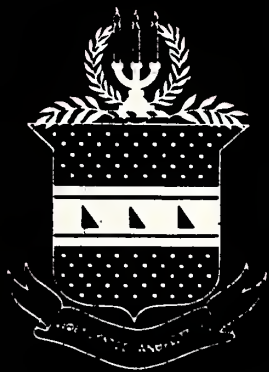

Founded: May 12, 1904, University of Michigan

Acacia Fraternity was founded in 1904 at the University of Michigan by a group of Master Masons. Acacia is designed for Master Masons, sons and brothers of Masons, and those persons willing to uphold and carry on the traditions and principles of Acacia. Having been founded by Masons, the desire was great for a name that would have Masonic significance, rather than a mere combination of Greek letters. The name of our Fraternity, ACACIA, is English for the Greek word AKAKIA, which is rich in Masonic significance and which means literally, "everlasting life."

Since the days of William Howard Taft and William Jennings Bryan, both Acacians, there have been Acacians at the front in leadership and responsible positions throughout the United States.

Acacia Fraternity began at Mississippi Southern College in January, 1960, as the Acacia Club. This status was held until April 1, 1960, when members were pledged in the Hattiesburg Masonic Temple by the members of the Louisiana State University Chapter of Acacia. After this the group became known as the Acacia Colony. This status was held until being installed as an active chapter of the Acacia Fraternity on March 5, 1961. Since being on campus, Acacia has won first place in fraternity house decorations for Homecoming 1960; the pledge class scholarship trophy presented by Phi Eta Sigma, and because of the constructive activities which the pledges performed during their initiation week was presented the "Help Week Trophy" on Awards Day 1961. This was the first year that the trophy was presented.

Acacia is built on participation in campus life, high moral principles, and scholarships, coupled with a well rounded social program. The social activities include pledge swaps, Christmas party, homecoming festivities, "Nite on the Nile" costume ball, Sweetheart Ball or the Black and Gold Formal, Song Fest, Greek Week Activities and participation in college activities.

ALPHA TAU OMEGA

Flower: White Tea Rose

Colors: Sky Blue and Gold

Founded: V.M.I., September 11, 1865

Alpha Tau Omega was founded in 1865, at Virginia Military Institute, in Richmond, Va. It was the first national fraternity founded following the Civil War and its aims is to bring closer harmony between the people of the United States. The motto is evidence of the fraternity's purpose. "No North, No South, No East, No West, but one great nation heaven blest."

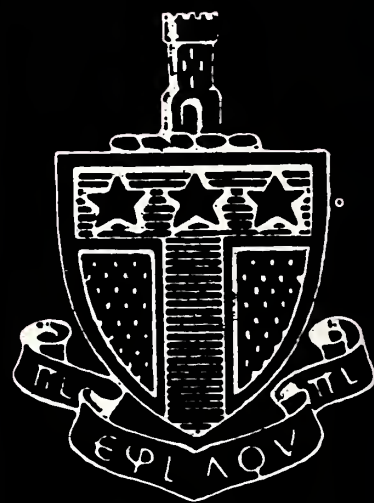

Epsilon Upsilon Chapter was chartered on November 9, 1949, at Mississippi Southern. To date there are 120 active chapters in 50 states and British Columbia.

Every fraternity has its housemother but the ATO's are especially proud of ours, Mrs. Dora McCarver. "Do Do" as she is known, came to the ATO's in 1955. Since then, she has been a mother to many ATO's.

Our athletic teams have compiled an excellent record over the past years. For the past two years ATO has won first place in basketball. Other first places this year are volleyball and swimming. This year the homecoming float trophy was added to two March of Dimes trophies for the past two years, also ATO placed second in bowling and the annual Song Feast.

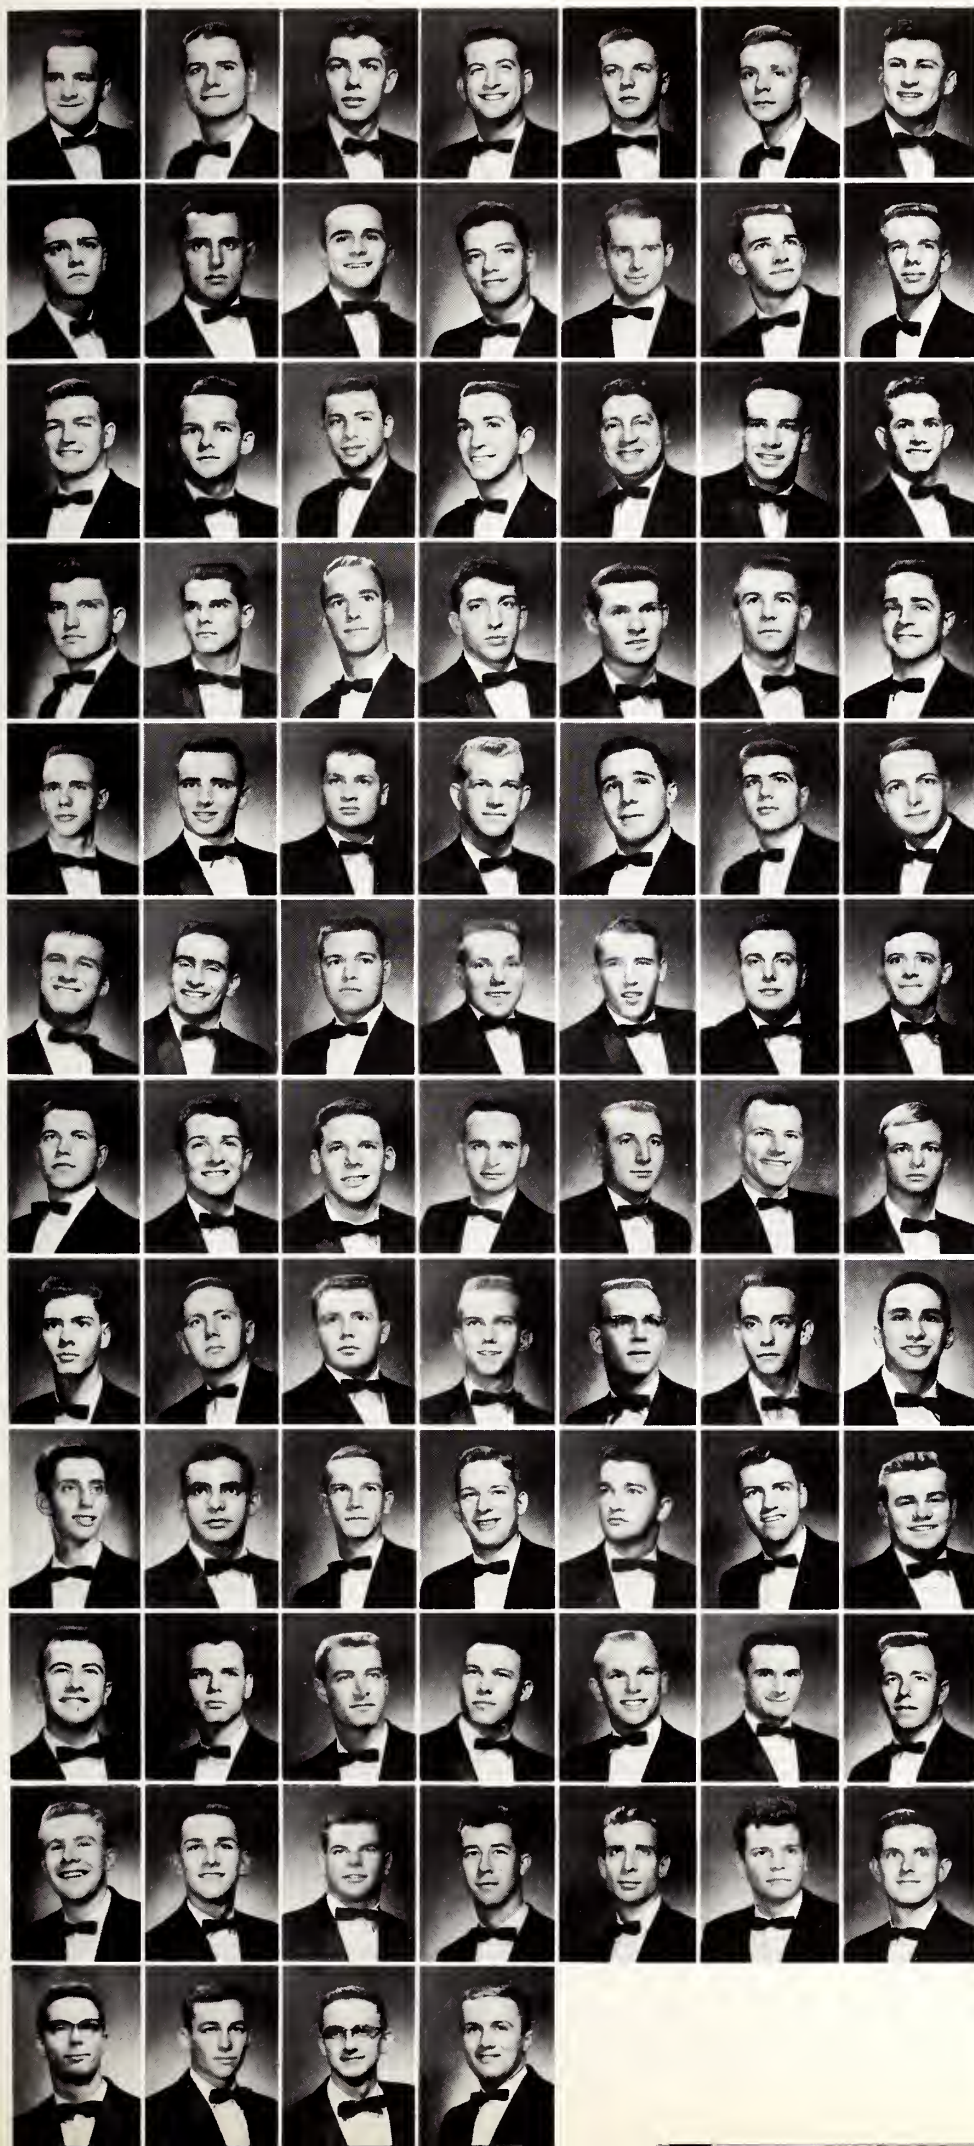

ATO's are active in all phases of campus activity. They have representatives in SGA, SCF, the Student Printz, Delta Sigma Pi, and Varsity Athletics. Other representatives are in Omicron Delta Kappa leadership fraternity and the president and secretary of the Interfraternity Council. Many events highlight the ATO Social Calendar. Some are the Halloween Party, Orchid Ball, House Party, Christmas Party, Sack Party, Patio Party, Pledge Party, and the Senior Banquet.

Among our famous alumni are playwright, Tennessee Williams; Senator James Eastland; "Pie" Vann, head football coach; and Dr. William D. McCain, President of Mississippi Southern College.

Bonnie Purvis—Kappa Alpha Rose

KAPPA ALPHA

Flower: Magnolia and Red Rose

Colors: Crimson and Gold

Founded: Washington and Lee University in 1865.

Kappa Alpha Order came to MSC's campus on November 7, 1949, and since that time has taken pride in growing with Southern to the top.

Each year at Gamma Zeta seems to be filled with achievements and this year was no exception. The KAs this year won outstanding honors and held many responsible positions in campus activities.

Sonny Currie, No. I, was selected to Who's Who in American Colleges and Universities. Don Fuell, best known for his performance as quarterback of Southern's football team, is a member of Omicron Delta Kappa and served as "M" Club President and Senior Class President. Bob Hishon, No. VI, served as President of Phi Eta Sigma and Vice-President of Alpha Epsilon Alpha. Talmadge Irby, No. VII, was President of Scabbard and Blade, Tommy O'Shields, No. III, was President of Pi Sigma Epsilon, and Gary Williams, No. V, was Collegiate Civitan President.

Other organizations in which KAs are active include both Southern's football and baseball teams, Kappa Pi, Rho Epsilon, Pi Kappa Pi, Alpha Psi Omega, and the Southern Players.

An addition to the chapter this year was the house mother, Mrs. Eve Kahler. She quickly won the love and respect of the KAs.

The Rose, Miss Bonnie Purvis, brought attention not only to herself, but to Gamma Zeta as well, with her beauty and charm by possessing those qualities which, in every KA's opinion, make up the ideal Southern sweetheart.

Convivium, the celebration of Robert E. Lee's birthday on Jan. 19, was followed by a period of festivity in which the Old South Ball was held. This is just one of the many traditions of the "southern gentlemen" who make up Gamma Zeta Chapter. Other important social events of the year were the Christmas Party, Black and White Formal, and the House Party in Florida.

KAPPA SIGMA

Flower: Lily of the Valley

Colors: Scarlet, White and Emerald

Founded: University of Virginia, December 10, 1869

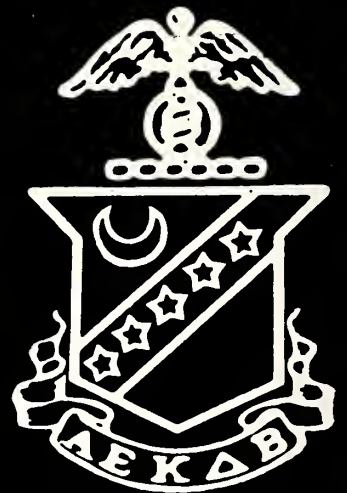

The Kappa Sigma Fraternity was founded in the year 1400 at the University of Bologna in Italy. The small group founded at Bologna spread across Europe and grew in size and importance. The first chapter of Kappa Sigma in America was organized in 1869 at the University of Virginia. From the five members who started the chapter at Virginia, the fraternity has grown into an organization of 134 chapters and over 80,000 living members.

Built in 1955 Epsilon Nu's home is one of the most modern on the campus. We are proud to say that the interior work on the house was completed by the members themselves.

A house mother is someone very special—she must be a good hostess, an efficient manager, and "just someone to talk to," all at the same time. Kappa Sigma is fortunate to have just such a person, Mrs. Reid Bass Tyron. "Mom Reid," as she is affectionately known, became a permanent member of our chapter September 12, 1959.

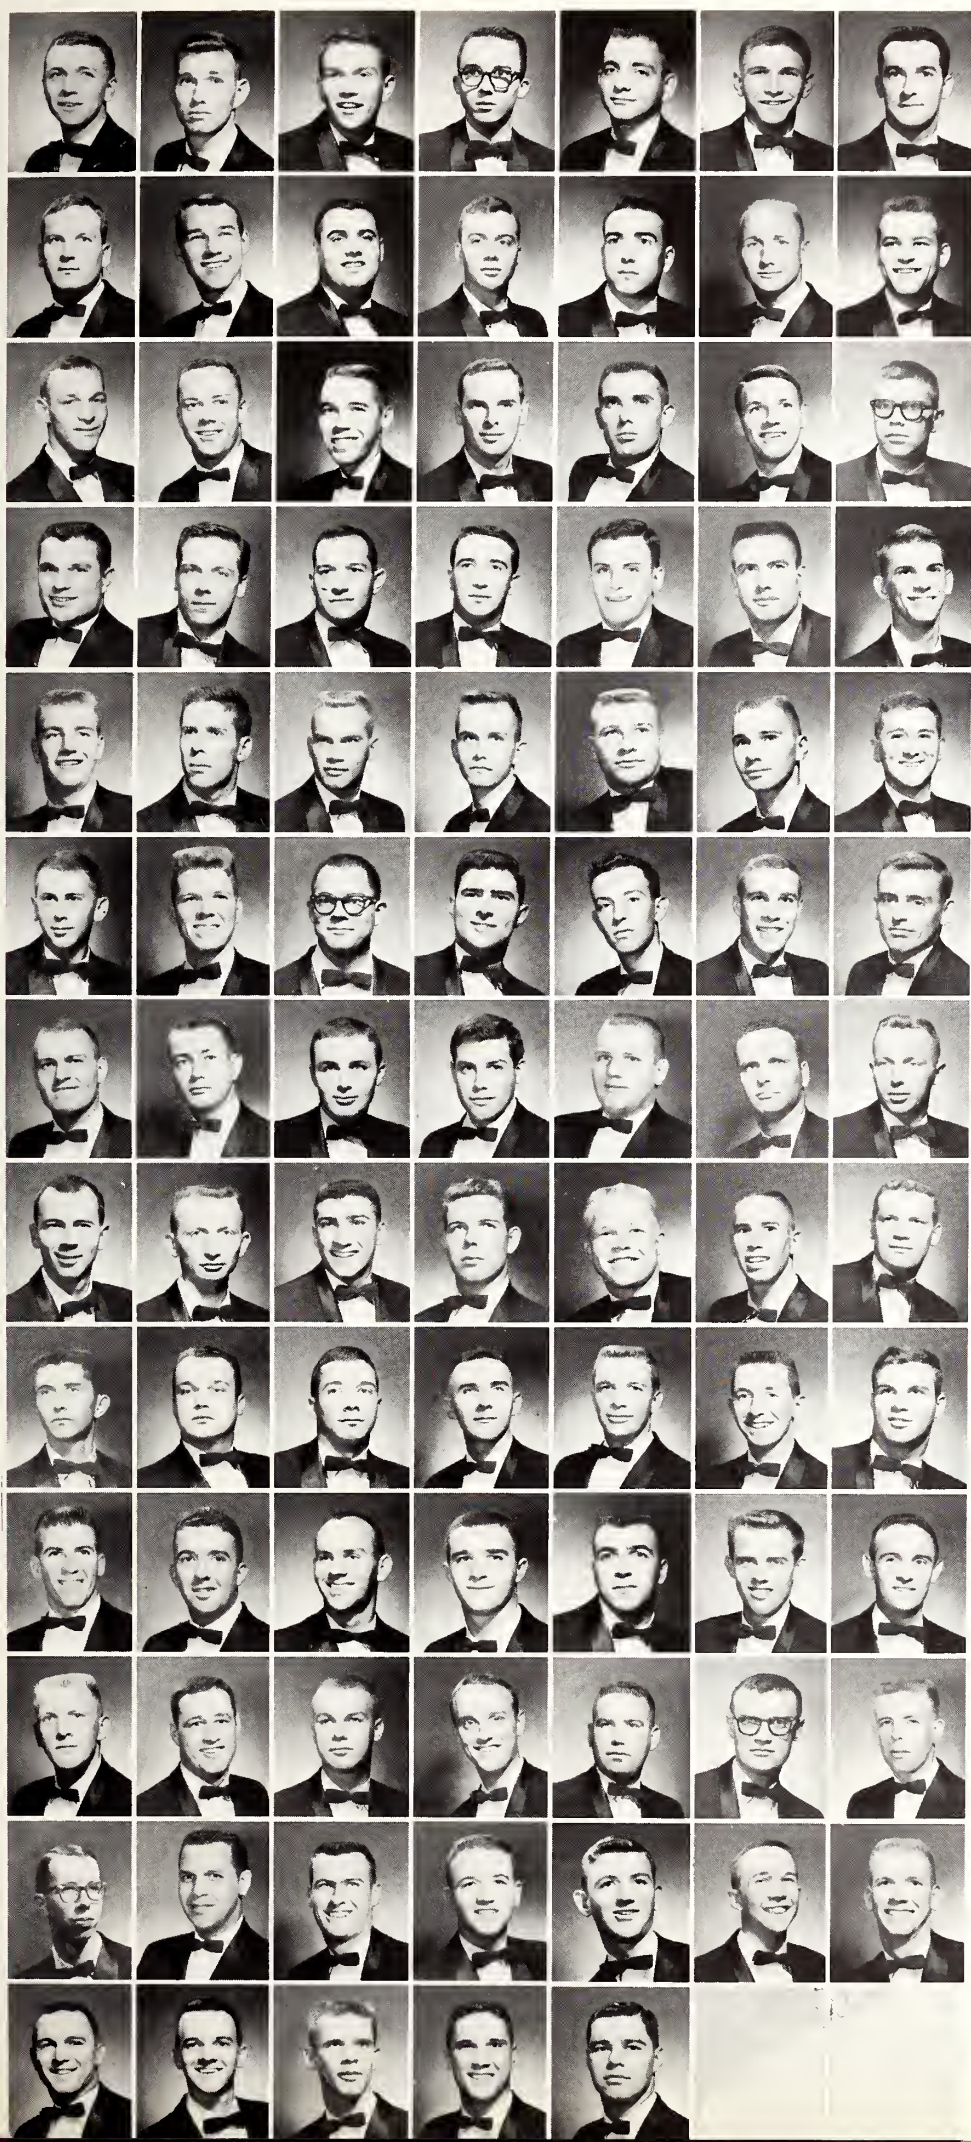

Among Kappa Sigma's distinguished alumni are Estes Kefauver, Senator from Tennessee; Hogie Carmichael, composer and actor; Lowell Thomas, author and broadcaster; Drew Pearson, columnist and broadcaster; Johnny Mack Brown, western movie actor; and Edward R. Murrow, commentator. The Alumni on the faculty and staff include Dr. Arthur H. Derosier, History; Mr. B. O. Van Hook, Mathematics; Mr. Orville Thomas, Industrial Arts; Mr. Oscar N. Walley, Psychology; Mr. Joseph S. Anzalone, Admissions; and Mr. Richard J. Linden, Buildings and Grounds.

The goal of Kappa Sigma is to aid in developing the potential and interest of each of its members while they are in college. Naturally, scholarship is first. Behind scholarship, but not of minor importance, are the things that a good fraternity also stresses; intramural sports, campus activities, social events, and many other college interests. These are the worthwhile activities that Kappa Sigma emphasizes and are the components of a well-rounded campus career.

PHI KAPPA TAU

Flower: Red Carnation

Colors: Red and Old Gold

Founded: Miami University, Oxford Ohio, 1906

Phi Kappa Tau, Beta Epsilon Chapter, became Mississippi Southern's first national fraternity on October 15, 1948.

"Phi Taus" are known as the most versatile fraternity on campus with leaders in almost all campus organizations: Class Officers, Professional and Honorary fraternities, service clubs, Student Printz, choir, band, General Nat's Sergeant, cheerleader, Varsity football, basketball, baseball, and tennis.

Adding to the trophy case, first place was claimed by Phi Kappa Tau for Greek Skit night; and for the fourth consecutive year, fraternity football. Phi Taus have placed in almost all competition and rate above the men's over-all average in scholarship.

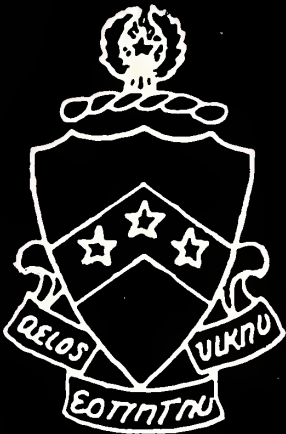

The Phi Taus always bright social calendar is highlighted with the annual French Quarter Party, Lost Weekend Party, House Party, and Red Carnation Ball.

Phi Tau, Pete Doles, won first place in the Mid-South Fair Talent Contest in Memphis, and appeared on the Ed Sullivan and Ted Mack TV Shows earlier this year.

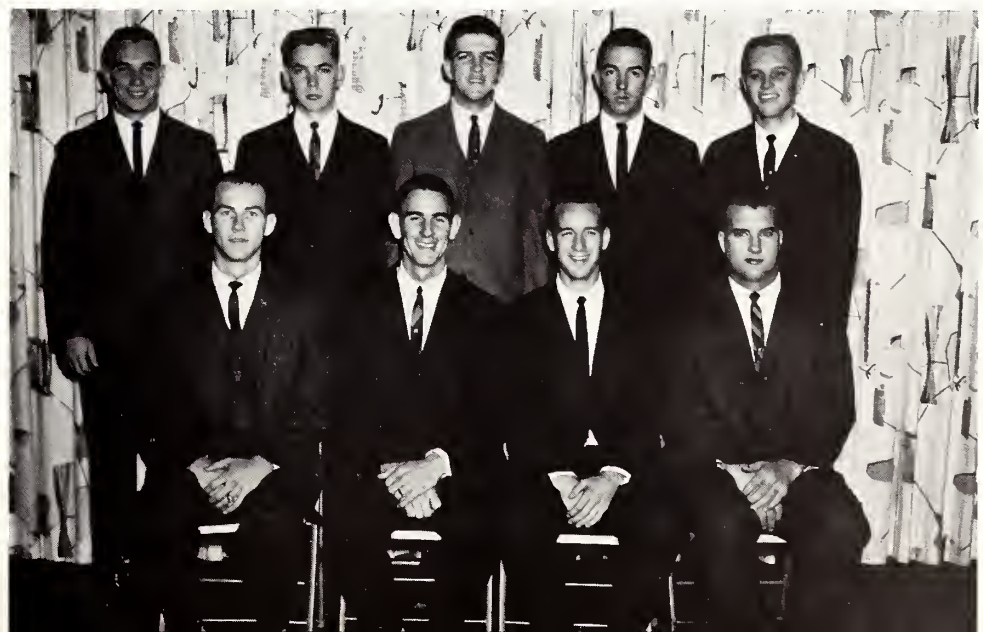

Phi Kappa Taus are especially proud of their housemother, Mrs. Grace MaGee, graduate of Mississippi State College for Women, and Ralph McDaniel, President of the Mississippi Southern Alumni Associations.

The organized Alumni Association of Beta Epsilon of Phi Kappa Tau is active and well informed on chapter affairs. The graduates hold an annual meeting at Homecoming. Phi Taus leading the organization are Jim Brown, President, Director of the Hattiesburg Recreation Department, and Dr. James Whates, Secretary, Laurel Physician.

Listed among Phi Kappa Tau's distinguished alumni are the following: Rowland Maxwell, President, National Interfraternity Council; Fred Hall, Governor of Kansas; Grayson Kirk, President, Columbia Univ.; Ward Parley, President, Univ. of Colorado; Walter S. Gamertsfelder, President, Ohio University; William B. Aycock, President, Univ. of North Carolina; and Gerald A. Drew, Ambassador to Haiti. Phi Taus on campus include Dr. John F. Nau, Religion and Philosophy; Dr. Arthell Kelley, Geography; Mr. Joseph Huck, Music; and Captain H. L. Smith, ROTC.

PI KAPPA ALPHA

Flower: Lily of the Valley

Colors: Garnet and Old Gold

Founded: University of Virginia, March 1, 1868

Delta Mu Chapter was installed on the Mississippi Southern College campus on December 10, 1949. At present, there are 117 Pi Kappa Alpha chapters and over 60,000 living members.

Pi Kappa Alpha encourages scholarship and participation in campus activities, and has many members who are members and officers in numerous organizations on campus. But most important, we believe in practicing our purpose for being: the establishment of friendship and the promotion of brotherly love.

Colleges are designed to train the mind—but students must develop socially, physically, morally, and spiritually at the same time they are preparing for their vocations. The colleges leaves a vacuum. This is where Pi Kappa Alpha enters the picture.

Pi Kappa Alpha is a social fraternity. Man is by nature a social being and desires to belong to an intimate "ingroup," to have a sense of belonging. Loneliness can be just as depressing in a crowd of ten thousand. There is no loneliness in Pi Kappa Alpha.

Man is stimulated by ideals which help him to reach above the mundane, and group action is a further aid to his achievement. The men of Pi Kappa Alpha are proud of their ideals and try to fulfill this media in every way.

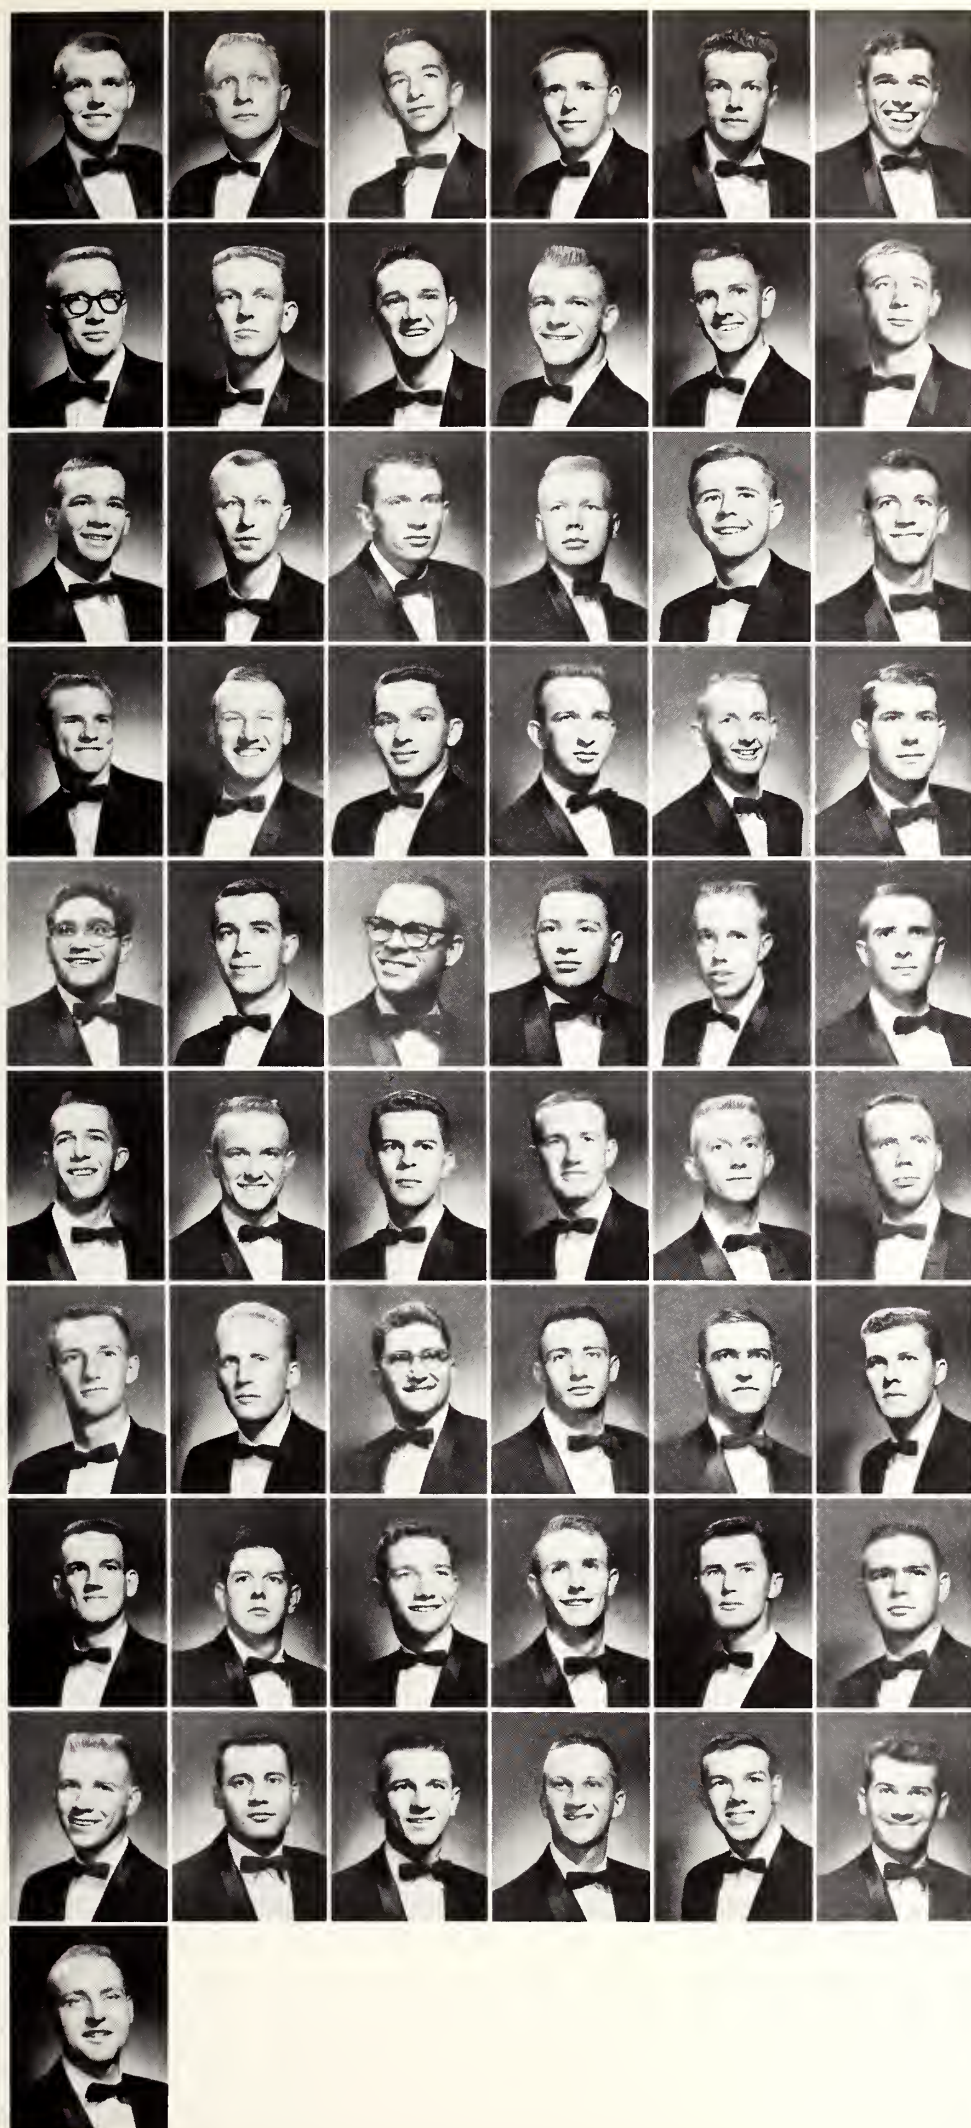

Since the beginning, man has had to accept certain obligations. One, as a college man and as a pledge of Pi Kappa Alpha. He has accepted certain obligations which he had agreed to fulfill, not only during the time of association with the Fraternity, but throughout his life. The men of Pi Kappa Alpha are obligated to three purposes: self and family, alma mater, and then to Pi Kappa Alpha. Pikes throughout the nation have exemplified this obligation.

We are not to think of ourselves "as one of the many threats which make up the texture of the doublet" but we should "desire to be the purple . . . that small and shining part which makes the rest seem fair and beautiful." That was the deathless dream of the men who founded Pi Kappa Alpha. These words by Thornwell Jacobs, Mu chapter, still apply to our fraternity, Pi Kappa Alpha.

SIGMA PHI EPSILON

Flowers: Violet and American Beauty Rose

Colors: Red and Purple

Founded: Richmond College, November 1, 1901

On July 1, 1960, sixty years after the founding of Sigma Phi Epsilon, there were more than fifty thousand "Sig Eps" over the world. These fraternity men were divided between 152 active chapters in forty-two states and the District of Columbia. In the nation, Sigma Phi Epsilon is in the top three fraternities in number of chapters.

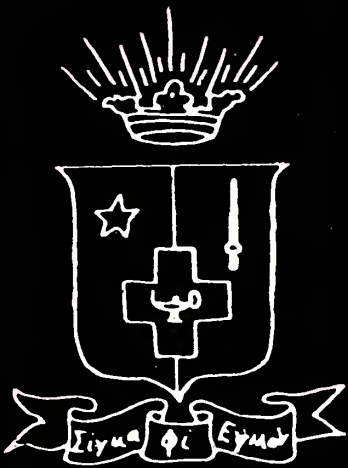

In the state of Mississippi, there are three active Sig Ep chapters. These are Alpha Chapter at the University of Mississippi, Beta Chapter at Mississippi State University, and Gamma Chapter at Mississippi Southern College. The chapter here at MSC was installed on May 16, 1953. In the following years of growing, planning for the future, and becoming an integral part of campus life, Sig Eps have lived up to the national traditions of their fraternity.

The newest advances in campus growth include plans for a new fraternity house for the Southern chapter which are proceeding on schedule. This new modern structure, which will be ready for occupation by fall quarter of the 1962-63 academic year, will add much to Sigma Phi Epsilon at Mississippi Southern.

Sigma Phi Epsilon's advances in scholarship, leadership, and loyalty to the school are quite evident and are shown by the prominent campus positions occupied by MSC Sig Eps and their active participation in campus activities.

The largest service project undertaken by Sig Eps during the year is active participation in the annual Heart Fund Campaign. All Sig Ep chapters in the nation combine their talents, money, time, and efforts during this drive to live up to the name "the Fraternity with the Heart."

Honorary members and alumni members of Sigma Phi Epsilon on the college faculty include: Jack D. Munn, Dr. Charles A. Payne, Aubrey K. Lucas, Gilbert T. Saetre, Coach Fred Lewis, and Paul F. Weisend.

The publications staffs, the academic clubs, and religious organizations compose the extracurricular phase of Mississippi Southern College life. These various service organizations supplement the academic and social facets of the school and provide suitable and practical outlets for the students' time, talents, and energy.

Religious clubs and organizations meet and fill the spiritual needs of students of all denominations and faiths. With the guidance of special directors, the students themselves plan the religious activities of the campus, a highlight being Religious Emphasis Week.

Honorary fraternities and departmental clubs also give students an incentive or goal toward which to work.

Without various service organizations, the school life would be incomplete, and the lack of extracurricular activities would be as serious as an academic deficiency.

THE 1962 STUDENT PRINTZ

David Webb, executive editor, and Frank Buckley, advisor.

The **Student Printz** is a completely student-operated newspaper from copy paper to news stand. It serves as a training ground for more than 50 journalism students. In its basic function the Printz operates with four departments—Editorial, Advertising, Photography, and Printing. **Student Printz** staffers are traditionally proud of the factual and responsible quality attained in their uncensored press. Full scholarships for five to eight students are available each year on the **Printz**. In addition, partial scholarships for work on the editorial and business staffs are provided about ten or twelve others. Serving as the news and publicity medium of the college, the **Printz** is outstanding among contemporary journals, having been named six times All-American and eleven times Columbia Medalist.

COLLEGE UNION ACTIVITIES

The College Union Activities is composed of students who are interested in developing, promoting, planning, and carrying out activities and events which add to the social life of the students on the campus. During the 1961-62 school year, the College Union has sponsored numerous activities in hopes that it has held something that every student at Southern

has participated in and enjoyed. The various activities include juke-box dances, patio parties, hay-rides, tournaments, and various movies, which are shown every other week. The main events of the year were dances with decorations, refreshments, and bands. These included the Autumn Leaves Dance, the Mardi Gras Ball, and the President's Ball.

COLLEGIATE CIVITAN

The purpose of the Collegiate Civitan Club is to emphasize the advantages of the American-Canadian way of life, to promote good fellowship and high scholarship, to serve on the campus, and the community, to provide an opportunity for leadership training through service to encourage the daily living of the Golden Rule in all human relationships. Collegiate Civitans, as "Builders of Good Citizenship," render altruistic service in building better communities.

Collegiate Civitan appeals to young men of high standards and purposes. It challenges them with the broader fellowship and inspires in them the desire for a fuller and richer life. It also inspires them to work for service projects that will develop a better community.

BETA BETA BETA

The Beta Chi Chapter of Beta Beta Beta at Mississippi Southern College is a society for students of the biological sciences. It seeks to encourage scholarly attainment in this field of learning by reserving its membership for those who achieve superior academic records and who indicate special aptitude for the subject of biology. It desires to cultivate intellectual interest in the natural sciences and to promote a better appreciation of the value of biological study. It aims to advance the general objectives of education by making a noteworthy contribution to the curricular program of the life sciences. Beta Beta Beta endeavors, also, to extend the boundaries of man's knowledge of nature by encouraging new discoveries through scientific investigation. It emphasizes, therefore, a three-fold program: stimulation of sound scholarship; dissemination of scientific knowledge; and promotion of biological research. Beta Beta Beta is an affiliated society of the American Association for the Advancement of Science.

KAPPA DELTA PI

Kappa Delta Pi, an honorary society in the field of education, stresses high professional, intellectual, and personal standards. Members represent the finest students who plan to pursue the field of education as a vocation. From nominations submitted by members, faculty, and campus leaders, students who meet the high scholastic and professional requirements of Kappa Delta Pi are invited for membership.

Founded at the University of Illinois, Kappa Delta Pi has developed a large honorary society. Theta Gamma Chapter was installed at Mississippi Southern College on May 28, 1954, and has attempted to encourage high professional, intellectual, and personal standards among members and the campus by presenting programs dealing with professionalism in education, service projects, and an incentive to excel in education.

Kirby Breland, President; Linda Bentley, Vice-President; Donia Overby, Secretary; Alice Maw, Treasurer; Linda Shows, Program Chairman; Ann Katherine Jeffcoat, Student Activities Representative; Carol Brummett, Reporter.

The Home Economics Club, affiliated with the Mississippi Home Economics Association and the American Home Economics Association, is open to all students in home economics. Some of the Home Economics Club's annual activities include: a get-acquainted party, Latin-American party, Career Day Booth, Thanksgiving boxes for needy families, and a Christmas party for underprivileged children. Each year the Club's activities are climaxed with a Spring Banquet. The club was organized at Mississippi Southern College in 1926. The purpose of the club is to develop leadership ability, to promote professional attitudes and interests, to share with others the value of home economics as a profession and to encourage fellowship among students and faculty.

The main purpose of Kappa Omicron Phi, a national professional organization, is to further the best interests of Home Economics in four-year colleges. Students with similar professional and vocational interests, with potentialities of leadership and scholarship attainments, and with superior personal qualities will be working and advancing together. This is realized through the requirements of a 3.25 overall average, leadership, and character of high standing. Those majoring in Home Economics and meeting these requirements are eligible for membership in Kappa Omicron Phi.

CIRCLE

"K"

The Mississippi Southern College Circle K Club is not a social fraternity, but is a student service organization sponsored by the Hattiesburg Kiwanis Club. Membership in Circle K is open to any college man interested in participating actively in organized service to his college and the surrounding community and who meets certain leadership and scholastic requirements. The Circle K Club is not just an organization but a driving force developing the leadership for tomorrow while it creates a better college community today.

HONORARY FRENCH SOCIETY

Pi Delta Phi is a national honor society for outstanding students of the French language; established for the expressed purpose to foment a wider knowledge and a greater appreciation of the contributions of France to world culture, to recognize academic excellence in the field of French studies in American colleges and universities, and to foster a friendly spirit among the peoples of French and English speech. Pi Delta Phi was founded in 1906 at Berkely, California, and was installed at Mississippi Southern May 1, 1950. Regular members are elected from among outstanding students majoring or minoring in French.

Phi Chi Theta was organized to promote the cause of higher education and training for all women, to foster high ideals for women in business careers, to encourage fraternity and cooperation among women preparing for such careers, and to stimulate the spirit of sacrifice and unselfish devotion to the attainment of such ends.

Membership is obtained only through a collegiate chapter and is open to qualified students who are enrolled in the School of Business and who intend to complete the required courses and receive a degree.

R.O.T.C. Cadet Corps in battle group formation

R. O. T. C.

To develop officers in sufficient quantity to provide a corps of well-rounded, well-educated leaders for an Army that would have to expand rapidly in the event of a national emergency is the purpose of the existence of the Reserve Officers Training Corps of the United States Army.

The first R.O.T.C. unit at Mississippi Southern College was organized in 1950 as a Branch Materiel Unit to prepare cadets for commissioning in the Field Artillery. In 1958, the MSC Academic Council adopted a program of compulsory R.O.T.C. training for all eligible male Freshman and Sophomore students.

The R.O.T.C. Sponsors—Vivian Rushing, First Battle Group; Bonnie Purvis, Brigade Sponsor; Diana Stewart, Second Battle Group.

The Southern Generals is still another facet of the R.O.T.C. program.

R. O. T. C.

The R.O.T.C. Band, directed by Gilbert Saetre, plays an integral part in the over-all R.O.T.C. program.

CANTERBURY CLUB

Left to Right: David Pyle, President; Alice Wentworth, Vice-President; Pat George, Secretary; Linda Ritter, Treasurer.

Chartered on the Mississippi Southern campus in 1946, the Canterbury Club has served Episcopal students of Southern and William Carey College for fourteen years.

In 1947, the Rev. Richard A. Park came as rector of Trinity Episcopal Church, and became part-time chaplain of the Canterbury Club.

Its purpose is to help college students make their faith an integral part of college life by bringing the activities of the Church on campus.

Canterbury Club was founded on the belief that the mission of the Episcopal Church should be extended to all its communicants, and should provide the best medium for its members to develop as useful citizens on college campuses.

MEMBERS OF THE NEWMAN CLUB

NEWMAN CLUB

The Newman Club is dedicated to the principles formulated by Cardinal John Henry Newman, a convert to the Catholic faith. The club promotes INTELLECTUAL, SOCIAL, AND RELIGIOUS development of its members. During the past year, the programs included speakers, discussions, group attendance at Mass and Holy Communion, dances, slides on countries of interest, and many other special projects. This year the Club will be host for the Regional Convention held February 10th and 11th. Newman Clubs from the entire state attended this convention.

WESLEY FOUNDATION

THE WESLEY FOUNDATION

Sponsored by the Methodist Church and a representative of the Methodist Student Movement, the Wesley Foundation seeks to help Methodist college students feel at home in their campus community and to give them a stimulus for more effective religious activities. Activities of many kinds—devotional, recreational, study and service opportunities—are included in the Wesley Foundation.

Westminster Fellowship is the organization for college students of the Presbyterian Church, U. S. Its purpose is to learn the will of God for our lives in Christ Jesus. To accomplish this purpose, we join ourselves together in study, fellowship, and service. Also, we seek out others who are like-minded to work with to this same end while we are in college.
